Georges Carpentier, former light heavyweight champion of the world, has just arrived in New York from Paris. While Carpentier states that his chief mission in America at this time is to represent Paolina, the Spanish heavyweight, in American negotiations, he himself has a contract with a Los Angeles promoter to meet the winner of a bout between Sailor Huffman and Jimmy Delaney. Carpentier has received offers to meet Jack Delaney or Paul Berlenbach, members of his own class, but he is desirous of going through with the Los Angeles fight before arranging anything else definitely. At any rate, the famous Frenchman is going into light training in New York at once.

GOOD CONTEST AT TOURNAMENT

Prince Rupert Badminton Club Victors Over Regiment Yesterday Afternoon

A tournament between teams representing the First Northern B.C. Regiment and the Prince Rupert Badminton Club was played at the courts of the latter in the De Luxe Hall yesterday afternoon, a number of spectators being present, chiefly members of the clubs or their friends. While victory went to the home club by a considerable margin, members of the regiment put up some excellent play and won several games. They were handicapped a good deal by not being accustomed to the courts.

Harold Thompson and Larry Wyles had charge of the program with President E. C. Gibbons giving a general oversight. Tea was served by the vice-president, Mrs. George Bryant, assisted by Miss Advant, Miss Caroline Mitchell and Miss Pete Tremayne. Following were the scores:

Doubles

Wyles and Owen beat Rix and Nicholls 15—14, 15—7.
Russell and Johnson beat Johns and Thompson 15—9.
Johns and Thompson beat Russell and Johnson 15—9.
Crewe and Scott beat Tinker and Youngman 15—9, 15—11.

Singles

Youngman beat Crewe 15—10.
Scott beat Nicholls 15—8.
Wyles beat Rix 15—8.
Owen beat Russell 15—14.
Johnson beat Johns 15—3.
Thompson beat Tinker 15—12.

In singles the Regiment was only one point behind the P.R. club in the total but in doubles the total score stood 84 to 68 for the victors.

INTERNATIONAL GOLF WEEK IS PLANNED JASPER THIS YEAR

WINNIPEG, Jan. 11.— An international golf week at Jasper National Park in September is being planned and worked out according to Walter Pratt, general manager hotels, dining and sleeping cars of the Canadian National Railways, who returned to Winnipeg yesterday after visiting Pacific coast cities over the holidays. Golfers from almost every state in the United States have so far indicated their intention of taking part in games on the new Jasper Park course at this time and interest in the movement in eastern and western Canada is being strongly maintained. Mr. Pratt stated that the eighteen holes of the course would be in play at the opening of the lodge on May 22nd this year and increased accommodation which is being secured by the buildig of four 10-room cottages and enlarge some of the other buildings, will give accommodation for more than 400 people.

DANCING PARTY AT I.O.D.E. SATURDAY

Dr. and Mrs. Eyolfson Entertained Large Number of Friends

Dr. and Mrs. R. E. Eyolfson, Third Ave. West, delightfully entertained some sixty friends in the I.O.D.E. Hall on Saturday night. Dancing was thoroughly enjoyed to excellent music furnished by Arthur's orchestra, comprising Mrs. R. P. Ponder, piano; David Eastman, saxophone; and R. Arthur Jr., drums. Mrs. P. McCormick presided at the piano until the arrival of the orchestra. The hall was tastefully decorated and refreshments were served during the evening under the supervision of Mrs. Andrew McDonald, assisted by Miss Margaret Eyolfson.

CHARLIE STARR IS HOLIDAYING IN CUBA

Manager of Pacific Fisheries and Wife Motored From Seattle to Florida

Charles E. Starr, manager of the Pacific Fisheries here, who has been on an extended motor tour of the United States with Mrs. Starr, is now in Cuba, according to word that has been received by friends in the city. They motored from Seattle to California and thence across the States by way of New Orleans and Texas to Florida. They spent Christmas in Jacksonville with Mr. Starr's cousin. Mr. Starr will be back in Prince Rupert towards the end of next month to resume his duties here on the reopening of the halibut season.

CANADIAN GRAIN IS BEING SHIPPED BY UNITED STATES PORTS

(Edmonton Bulletin)

Government reports show that of 24,095,014 bushels of wheat exported from Canada to Great Britain in November, only 5,485,710 bushels were shipped from Canadian ports. The other 18,609,304 bushels went out of United States ports, which terminals of course were reached over United States railways or waterways.

That is to say, three-quarters of the wheat that was shipped to Britain during that month went through the United States, contributing to the prosperity of United States railways, canals, ports, and—in large measure also—of U.S. ocean steamship companies. Deducting from this total the amount which went out via Vancouver, the proportion of the eastward moving grain which flowed into U.S. channels and to U.S. ports is substantially more than three-quarters.

AMERICAN RED NOSES MALIGNERS OF DRY LAW

NEW YORK, Jan. 11.—"It is the red noses who go to London and tell Europe prohibition is a failure." That was William E. "Pussyfoot" Johnson's characteristic statement when he returned from a world tour.

He found prohibition making headway in Turkey, "a much libelled country," as he phrased it. He blamed the "Christians and the Jews" for selling booze to the Mohammedans.

Of Norway he said this: "Norway has wines with alcoholic content up to 20 per cent, but the people are never satisfied. Give them that much and they want something that will grow curly hair on bald headed men."

HUNT JACK RABBITS DURING CHRISTMAS

Indians of Fort McMurray Fail to Celebrate Because no Christian Church There

EDMONTON, Jan. 11.— "The Athabasca Indians are all out in the tall timber pursuing the wily jack-rabbit and otherwise communing with nature," said Col. J. K. Cornwall, when queried as to conditions in the north on his return from Fort McMurray. He states that there is a great dearth of clergymen at the Athabasca metropolis and for this season the annual Christmas-New Year's perpetual "moochigan" dance was a fizzle.

Pressed to reveal the reason for this condition Col. Cornwal stated that the usual native custom is to reach Fort McMurray and Fort McKay for the festive season, then celebrate the occasion with religious services, fur trading and dancing. However no church is now represented at McMurray, so the Indians stayed in the bush.
