PRINCE RUPERT CONSERVATIVE ASSOCIATION CALLS MEETING FOR TOMORROW NIGHT

A meeting of the Conservatives of Prince Rupert district is called for tomorrow night for the purpose of electing delegates to the convention which will be held in Kamloops on November 23 when W. J. Bowser, former leader, and Leon J. Ladner, federal member for South Vancouver, will make their bids for the leadership of the party in the province.

While it is probable that the local delegates may be sent to the convention uninstructed as to supporting either of the two known candidates for the leadership thus giving them a free hand to support either candidate, there is a feeling that Mr. Ladner will be the more popular with the Prince Rupert delegation. Though much of the hostility manifested by Conservatives against Mr. Bowser in 1924 has disappeared, it is questionable whether or not Prince Rupert Conservatives will be in favor of again placing in the leadership the man who it is said by many was responsible for the break in Conservative ranks some years ago.

In addition to the delegates who will be chosen tomorrow night, J. C. Brady, M.P. for Skeena, will attend the convention. How Mr. Brady may stand in relation to his support of Mr. Bowser or Mr. Ladner is not definitely known. It will be remembered that both aspirants for the provincial leadership assisted in the successful campaign as a result of which Mr. Brady on September 14 was elected M.P. for Skeena.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

NEED OF KINDERGARTEN IN SCHOOL SYSTEM

TORONTO, Nov. 15.—"We need the kindergarten but it should be more closely related to the rest of the school. The kindergarten should not be segregated from the grades," Mrs. Plumptre, school trustee said at a recent meeting of the Toronto School Board.

Inspector Moshier criticized the use of symbols in kindergartens. "The child begins to regard the symbol as the reality and that develops idolatry."
