MAJOR SAW WHALE

ALBERNI, April 24 .- Major R. Burde, making his bi-annual tour of the West Coast of his constituency during the last week had an exciting experience in a gas boat. Making the fifty mile! stretch southbound form Nootka Cannery to Clayoquot in the Goodlad Bros.' trolling boat Beauty, the weather being favorable, the outside direct passage was taken, making the course about ten miles off-shore out in

the open Pacific.

When twenty miles out from Clayoquot a large whale was sighted leisurely sporting itsen on the surface a quarter of a mile seaward. The Major, anxi ous for a close-up, requested the helmsman to head in the direction of the monster, when hardly had the little gasboat turned when an exceptionally large but: sperm whale suddenly emerged only fifty yards from the boat. It spouted a solumn of water wenty feet in the air, then apparently suddenly sighted Nec | boat and lashed its tail viciously and disappeared beneath the

One can imagine the Major's feelings for the few minutes toll follow as to whether and where the monster would wome up again, for it was more than wice the length of the gashoal While it was on the surface sold close was it that those aboard could not only easily discern the peculiar markings of the whale, but could plainly see masses of barnacles upon its back.

With two brand new teams, at east as far as names go, in the field and the third team having made its initial appearance only last year, there will be a new shuffle in the local football deck when the season opens of May 14] with the first game in the Stuart Shield series and the deal should! cause a good deal of interest in this popular outside sport. While! the organizations are new, the players of past years who are left in the city, with few exceptions, will again be found on the field and there will be the usual smattering of new blood. At this date, it would be hard to predict who may come out on op as the season advances and he various trophies are contended for. The opening baseball game of the season at Hazelton was played last Saturday between a white team of Hazelton and a native aggregation from Glen Vowell.
