SMITHERS HAS CELEBRATION

People From All Country Round Assemble to Take Part in Big Event.

SMITHERS, July 6. — Canada's national birthday was certainly celebrated in a most fitting manner in Smithers last Thursday and has set a precedent for the years to come that will take some beating.

Starting the previous evening and continuing until noon July 1 car loads and buggy loads of people came in from all points of the district, so that when the hour came for the opening ceremonies there was indeed a great throug out for a good time.

Promptly at 12.30 o'clock the big procession formed at the railway station and with the members of the local assembly of the Native Sons of Canada marching in the lead, started for the fair grounds, where the sports were to be held.

Fifty Cars

The Native Sons clown band, under Brother Hart, sergeant-at-arms, loaded in a hay wagon was the piece de resistance of the parade and was followed by over fifty cars, some tastefully decorated and all filled with holidayers young and old.

Arriving at the grounds an opening speech was delivered by F. M. Duchemin, Grand Chaplain, Native Sons of Canada, after which the school children in a body on the grand stand led in the singing of O Canada.

From then on until 5.30 every minute was fully occupied by an athletic event of some kind. There was baseball, Smithers vs. Telkwa, lacrosse between two picked teams, married ladies' playground ball between the C. N. R. and the town matrons, and a big program of racing and other sports for the kiddies and grownups. There was also tug-of-war and horseshoe pitching, Smithers winning the former against Telkwa and the Duthie mines and Elmer Gusderson and Pete Berg of the C. N. R. winning the latter from a big field of entries.

Dance in Evening

In the evening one of the largest and most enjoyable dances held here in a long time was held in the Town Hall, and to music supplied by the Crescent Orchestra dancing was continued until after 3 a.m. with only a break at midnight when refreshments were served.

The celebration was held under the auspices of the Smithers Athletic Club, assisted by the Native Sons of Canada, and the committee in charge is being highly complimented on the program carried out, as is also the weather man for the delightful weather of the day.

DUNLOP TIRES

NO other tire in Canada is born under such promising conditions as the "Dunlop." When **Dunlop England** evolves some process for getting more out of cotton we have the benefit of that immediately for **Dunlop Canadian-Made Tires.** When **Dunlop Japan** tests out a tread and finds it gives more mileage we immediately have that likewise for you, the Canadian tire buyer.

When you buy **Dunlop Tires** you get not only the results of our own technical experts but the results of the great tire experts of Dunlop in England, Dunlop in the United States, Dunlop in France, Dunlop in Japan, Dunlop (British) in Germany. In other words, wherever there is a Dunlop factory the specialized knowledge on tire-making of their chemists, research men and technical engineers is available to us as our knowledge is available to them.

Do not accept anything less than the tire created by world minds —the "DUNLOP."
