RUPERT WINS SECOND GAME

BEAT KETCHIKAN AGAIN YESTERDAY AT BASEBALL BY TEN TO FIVE

Prince Rupert repeated yesterday in the Ketchikan-Prince Rupert baseball series and won the second game by a score of 10 to 5. The playing on neither side was as good as in the first game. Schlenker, while rather uncertain, about shared pitching honors with Chestie, the visiting hurler, but the locals excelled the Ketchikan team in fielding. The third game of the series will be played this afternoon and if there is not an improvement in form on the part of Ketchikan it look like Rupert will make it three straight. A feature of yesterday's game as well as in the first, was the catching and batting of Cecil Downie of Prince Rupert. The popular backstop, besides outclassing all other players on the field, instilled pep into the proceedings with his conversation and agile antics.

First Inning—Greenwell made a safe hit into left field but Garn flied out to third base, Imbery fanned and Stewart was fielded. Moran got a walk and so did Schlenker. Balfour got first but Moran was out at third. Downie came through with a mean bouncing single which scored Schlenker and Balfour. Downie was out trying to steal second and Haveland fanned. Ketchikan, 0; Prince Rupert, 2

Second Inning— Chestie knocked a three bagger into left field and Koskie, on a pop fly, got first. Gyer struck out and Kubley got first when Schlenker chose to put Chestie out at the home plat. Johns was fielded. Gordon, for Prince Rupert, walked and, as a result of a series of errors and overthrows, made the circuit. Farquhar struck out and Loblick and Lambie were fielded. Ketchikan, 0; Prince Rupert 1.

Third Inning—Johns flied out to Gordon and Greenwell fanned. With no one on bases, Garn poked a home run over the rock pile before Imbery struck out. Prince Rupert crowded the bases with walks. Moran, Balfour and Downie were on, Schlenker having struck out. Haveland's two bagger brought in Moran and Balfour and Gordon's sacrifice scored Downie. Farquhar again fanned. Ketchikan, 1; Prince Rupert, 3.

KETCHIKAN MAKES TWO RUNS.

Fourth Inning— Stewart struck out and Chestie found the left field for a two bagger which he stretched to third. Koskie's single scored Chestie. Gyer flied out and Kubley made a two bagger. Koskie scored on Johns' grounder and Greenwell fanned. Loblic struck out and Lambie was fielded before Prince Rupert's batting kings came up again to make three runs. Moran was safe on first on third base error and Schlenker got first on a left field error, Moran scoring. Balfour singled and got second on another error, Schlenker scoring when Downie got safe to first. Haveland scored Balfour and Gordon fanned. Ketchikan, 2; Prince Rupert 3.

Fifth Inning—Garn singled and got second on an error. He was put out trying to steal third and Imberry was fielded. Stewart fanned. Farquhar struck out and Loblic was fielded. Lambie got first on an error and Moran fanned. No scoring.

Sixth Inning—Chestie was put out at first and Koskie fanned. Gyer walked and Kubley was fielded. Schlenker came through with a two bagger and stole third. Balfour walked and Downie hit the rock pile for two bags, Schlenker scoring. Haveland, Gordon and Farquhar struck out. Ketchikan, 0; Prince Rupert, 1.

Seventh Inning—Johns fanned and Greenwell should have been out, Moran making a nice one-handed catch but Farquhar dropped it. Garn singled and Greenwell got to third. Imbery was fielded and Stewart walked, filling the bases. Chestie popped out to short. Loblic got first, Lambie was fielded, Moran flied out to short and Schlenker fanned. No scoring.

KETCHIKAN GATHERS ANOTHER TWO.

Eighth Inning—Koskie fanned and Gyer was tagged out by the pitcher. Kubley knocked a grounder which gave him first and Johns was hit by the pitcher. Greenwell poled out a timely two bagger which scored Kubley and Johns. Garn was fielded. Balfour fouled out and the pitcher got Downie's pop fly. Haveland hit the rock pile for a two bagger but Gordon was fielded. Ketchikan, 2; Prince Rupert, 0.

Ninth Inning—Imbery and Stewart were both fielded, pitcher to first base, and Gordon got Koskie's fly.

The teams:—

Ketchikan—Greenwell, 3b; Garn, ss; Imbery, c; Stewart, lf; Chestie, p; Koskie, 2b; Gyer, rf; Kubley, 1b; Johns, cf.

Prince Rupert—Moran, 2b; Schlenker, p; Balfour, cf; Downie, c; Haveland, 3b; Gordon, ss; Farquhar, 1b; Loblick, rf; Lambie, lf.

Score by innings:

	1	2	3	4	5	6	7	8	9	
Ketchikan	0	0	1	2	0	0	0	2	0	— 5

CRITICISM OF SPORTS

Editor Daily News:

Your brief report of the Gilhuly Cup football game which appeared in your issue under date September 16, contains the following passage: "It was a listless game, with the players apparently taking little interest in it themselves."

Concerning this, it is difficult for me, as a player, to understand why such grossly unfair criticism should be levelled at the football players of Prince Rupert by a publication which should encourage, to the best of its ability, all healthy sport in this city.

Consulting the dictionary I find that the exact meaning of the word "listless" is "careless or indifferent."

I cannot imagine how two teams, striving for a silver cup, would be either careless or indifferent as to the result. I can assure you, Mr. Editor, that such was not the case in the game in question.

LEGS WERE BRUISED

The same argument applies to the second part of the criticism: "The players apparently taking little interest." This was news to me, and perhaps you would be surprised yourself if you could see some of the players' bruised legs.

Were this the first time we had been taken into camp I would not have gone to the trouble of writing this letter, but on looking over previous issues of the "News," I find that on June 20 "there was a good deal of looseness," and that the game between the "Terminals" and "Cold Storage" was featured more by excitement than quality of play." Again on July 10: "On the whole it was a ragged game, the contest apparently not being taken very seriously by the players," and so on "ad infinitum."

AFFECT GATE MONEY

I contend that these little knocks are not fair either to the players or to the managers and organizers, neither do they tend to increase the gate money.

In conclusion, Mr. Editor, I feel that this letter will not fall on stony ground, and that you will give us a better showing next season.

Thanking you for your valuable space,

G. J. NORRINGTON.

[The reporter of the first game referred to, June 29, is not at present in the city but his sport reports were always considered fair and no complaint was ever before made of them. As for the report of the Gilhuly Cup final, it was obtained from one of the players in the game. A good many players and fans have admitted that football this year was not of as high quality as in previous years and that as keen interest has not been taken in it. It has always been the purpose of the Daily News to encourage all branches of amateur sport in the city by giving accurate reports of all sport doings.—Sports Editor.]

Pure beer proved pure by test

THE Amalgamated Breweries of British Columbia are determined that the beer they make for the people of British Columbia shall be pure and wholesome. No care is spared, either in the selection of materials or in the processes of brewing, that will guarantee **pure** beer.

Each of the five companies associated in the Amalgamated Breweries maintains laboratories where continuous analyses are made, as a check on the methods of brewing and on the finished product. The Government also, through the Liquor Control Board and in the interests of the people, regularly examines for quality all the beer sold in British Columbia. But that is not enough. A further check is provided for the Amalgamated Breweries by absolutely independent tests made frequently by reputable public analysts upon request, and by means of these reports the beers of the various breweries are compared for purity and general quality.

A report has just been made by the well known firm of Macdonald & Macdonald, inspecting and testing engineers of Vancouver and Victoria, on beer made by the Amalgamated Breweries. This report indicates the high quality of the beers sold to the people of British Columbia.

For instance, after noting that in the beer tested the original extract in beer wort was high—14.21 per cent.—that alcohol was 4.37 per cent., that "extract" in the beer was 5.88 per cent., and that there was a complete absence of foreign substances, the report goes on to state:

"..... beer is of excellent quality, as the above analysis plainly shows."

The Amalgamated Breweries are sensible of the obligation placed upon them to provide the best and purest beer for the people of British Columbia. Whether you purchase beer by the glass in licensed premises under Government supervision or by the bottle at Government stores you receive a healthful and beneficial beverage.

The members of the Amalgamated Brewers are: Vancouver Breweries Ltd., Rainier Brewing Co. of Canada Ltd., Westminster Brewery Ltd., Silver Spring Brewery Ltd., and the Victoria Phoenix Brewing Co. Ltd., where the beer supplied to the people of British Columbia is made.

GIBBONS IS OUT OF PRIZE RING

IS FINANCIALLY INDEPENDENT BUT HAS NOT FOUGHT SINCE KNOCKED OUT BY TUNNEY

ST. PAUL, Sept. 18.—Toppled from the pugilistic heights at the zenith of his prize winning power, Tommy Gibbons has confirmed his retirement from the prize ring by more than a year of inactivity.

In the more prosaic capacity of "one of St. Paul's promising young business men," only with most of the promise fulfilled, Tommy is leading a life quite unlike that of the average "retired" fighter.

FINANCIALLY INDEPENDENT

Retirement to the average pugilist invariably is forced, and once a ring cast-off, he must turn to some other pursuit to make a living. For the average prize fighter has little to do with thrift campaigns. Not so with Tommy Gibbons.

He emulated his older brother, once the renowned "Phantom" Mike Gibbons, and when his ring purses grew fat, most of his end went, figuratively, into the family sock.

Only a few sizable purses came Tommy's way, for he trudged the long, hard road to pugilistic prominence with little remuneration, but in the fading days of his ring glory, past the age when most fighters are through, he garnered a snug fortune.

Just as did Mike before him, he looked around carefully for the investments that meant security for his money and a reasonable return. He found it in apartment houses and sound bonds.

TUNNEY MARKED END

It was Tommy's first knockdown when Gene Tunney knocked him out in New York in June, 1925, and it was his last, for since that time he has never donned the gloves in the prize ring.

Gibbons' most widely known encounter was with the champion, Jack Dempsey, when he stayed fifteen punishing rounds with him in Montana in 1923, fighting under a burning Fourth of July sun. His "end" of the purse was based on percentage, and there wasn't any.

But the Dempsey fight "for art's sake" helped Gibbons get other more remunerative engagements. For his Memorial day fight two years ago with Georges Carpentier he collected his best purse—$62,000. Before that a $12,000 purse for meeting Harry Greb had been his best.

EAST IS PLAYING WEST IN FINALS OF GOLF TOURNAMENT

JASPER, Sept. 18. — Harry Jones, Shaughnessy Heights, Vancouver, and C. C. Ronalds, Mount Bruno, Montreal, were winners yesterday in the semi-finals of the Jasper Park Lodge totem trophy tournament, so that East and West will battle today for the handsome silver totem pole trophy.

Jones advanced to the final stage by administering a severe defeat to Alec Wilson, Royal Montreal, and a former amateur champion, the match ending on the twelfth green and six in favor of the Vancouver player.

The match between C. C. Ronalds and Ben Cool, of St. Andrew's, Calgary, was closer, but there was a definite margin in favor of the Mount Bruno player, who won four and three.

FAMOUS BATTLES FOR HEAVYWEIGHT TITLE

BEAT JACK MUNROE

Jim Jeffries needed only two rounds to dispose of Jack Munroe at San Francisco, August 26, 1904. Although Munroe more nearly approximated the champion's poundage than any opponent encountered up to that time, he was helpless from the outset. Munroe weighed 210 to Jeffries' 219.

Referee Graney was quoted as saying Jefferies had Munroe at his mercy and could easily have killed him.

Munroe picked out a hazardous resting place in the first round when he had sat down on the lower rope of the ring. He slid from this uncertain vantage point to the canvas where he took a count of six. Only the bell permitted him to weather a stormy first round.

Strange to say the challenger was confident and even enthusiastic—before the fight.

Kid McCoy on this occasion offered a challenge with reservations. He declared himself willing to fight any one in the world except Jefferies.
