GREETING: CARDS

Our Christmas Greeting Cards are now on display. We ave a wide selection of artistic cards in a variety of styles and greetings that will enable you to express exactly your vishes and gladden the hearts of your friends to whom they are sent. They are priced from 5c to \$1.00 each and we would recommend that you make your choice now as a number of our customers, last year, left making their selecion until it was too late.

BE WISE AND BUY EARLY

We also have Personal Greeting Cards and a book of ample cards may be examined in the store or we will, on request, send a book for you to examine the samples at

Mr. and Mrs. Edward Lipsett arrived Prince Rupert this morning and will re-

in bridge building in the Bella Coola district this season for the provincial department of works, arrived in the city on the Catala last evening and will remain here for a few days before proceeding to Smithers.

A well attended meeting of the Royal St. George's Society was held in the rooms above A. W. Edge's store last night. G. P. Tinker was in the chair and Joe Howe was elected secretary pro-tem. It was decided to hold a meeting next Friday night for the purpose of enrolling new members and having the entertainment committee of ladies decide upon a social.

A letter from R. F. McNaughton was before the Board of Trade at its meeting last evening, W. O. Fulton presiding, stating that T. E. Pringle of the party of eastern ticket agents which visited the port recently expressed thanks for the entertainment they had received. They stated they had been given a better reception here than at any other point in their itinerary.

J. J. Cowie, secretary of the Biological Board of Canada, arrived in the city on yesterday afternoon's train from Ottawa and officiated at the opening of the new fisheries experimental station here which took place this afternoon. Mr. Cowie will proceed from here to Vancouver and before returning to Ottawa, will inspect the biological station at Departure Bay near Nanaimo.

A. Johnstone, deputy minister marine and fisheries, and Lieut. Commander C. P. Edwards, director of the radiotelegraph service for Canada, wh were to have arrived here today for the purpose of completing arrangements for the removal of the Digby Island marine station into town and the wireless station to the site on Digby Island at present occupied by the marine depot, have not yet left Vancouver but are expected here next week
