COMMUNITY HOTEL NANAIMO ENDORSED

Board of Trade Endorses Plan For Erection of Building Under Hockenbury System

NANAIMO, April 27. — The Board of Trade, at a special meeting recently, endorsed the proposal to raise funds for the erection of a community hotel in Nanaimo. Mr. Campbell, representative of the Hockenbury System, Inc., who has charge of the finance campaign, explained that before his company took charge of a campaign in any city, they had to be satisfied first of all that a new hotel was needed; that the citizens would give the project their moral and financial backing, and that the proposition offered a profitable investment. They were satisfied on all three points in Nanaimo, and he anticipated no difficulty in carrying the enterprise through to a successful conclusion.

She Could Hardly Do Her Housework Nerves Were So Bad

Mrs. I. M. Park, Consecon, Ont., writes:—"I had heart and nerve trouble, and became so short of breath I could hardly do my daily housework, and was so nervous I could not think of staying alone, as every little sound I heard felt like a shock to me.

I Saw MILBURN'S HEART AND NERVE PILLS recommended, so I tried a box, and after taking the second one I am now feeling like a different woman."

This preparation has been on the market for the past 32 years and has achieved a wonderful reputation for the relief of all heart and nerve troubles.

TWO PIECE SUITS DURING THE SUMMER SPREAD TO ENGLAND

LONDON, April 27.—The custom of American men in shedding their waistcoats during hot weather is to be tried here this summer even by the most conservative dressers.

For years, it has been the usual thing for an Englishman, at home, almost to be shocked when an overseas visitor appeared without his vest, but now at last the Londoner has been converted and the waistcoatless suit promises to be popular here during the spring and summer.

The London tailor has brought about the change through the introduction of the double-breasted jacket.

Rev. A. J. Wright of Kincolith is a passenger aboard the Cardena today going through to Vancouver.
