Read the Secret of Health in These Letters

EVERY woman is interested in another woman's letters, and we shall give the women a chance to present their experience with Dr. Chase's Nerve Food by quoting their letters. There is scarcely a town, village or hamlet in this great country but can produce splendid evidence as to the restorative, upbuilding influence of this well-known treatment for the blood and nerves.

Especially for Women

"From my experience as a wife and mother I find that the majority of users of Dr. Chase's Nerve Food are women, especially women passing through the change of life; next by young mothers to regain strength after baby comes, and also by mothers for their young daughters entering their womanhood. While it is good for all classes of humanity, I am sure it is especially so for women, as they seem to be troubled most by nervous diseases."—Mrs. H. Alchorn, 23 Gerald Street, Charlottetown, P.E.I.

Motherhood

Mrs. A. Ernest, R.R. No. 4, Walkerton, Ont., writes:—"For some time after the birth of my first child I was in a weak, nervous condition. I could not sleep well, had frequent headaches and buzzing in the ears. I also had neuralgic pains through my body, twitching of the nerves and was subject to weak spells. I had indigestion and seemed tired and languid. I began to use Dr. Chase's Nerve Food and found the results most satisfactory. I have used a great many different medicines, but never found one as good as Dr. Chase's Nerve Food. It is especially good for quieting the nerves and I feel very grateful for the good it has done me."

Middle Life

Mrs. M. E. McCarthy, Gardner's Creek, St. John Co., N.B., writes:—"In my estimation there is no medicine that will so quickly build one up and restore the nervous system as Dr. Chase's Nerve Food. From worry and hard work, I began to get behind as regards general health. It seemed as though each day some new ailment cropped up and before I realized it I was just about "down and out." I turned to Dr. Chase's Nerve Food for help and was not disappointed. My nerves are as steady as I could wish them to be and I am having no trouble at all in passing through that time of life when some women experience so much suffering."

GOLDBLOOM HAS SALE OF FURS FOR THREE DAYS

BEING SO BUSY WITH THE OPENING OF THE RAW FUR SEASON, SQUAREDEAL GOLDBLOOM IS GIVING UP THE RETAIL BUSINESS

Wm. Goldbloom, the fur man, has very large orders to fill for mink, and as the season is now opening, does not have the time to devote to selling his made up furs. He has to get 15,000 mink skins to supply his eastern orders and that amount of skins will keep him too busy. So for the next three days, every fur in his store will be marked down practically to your own figure.

This is an opportunity too good to miss if you would like furs at the very cheapest possible. So see Squared Deal Goldbloom before Wednesday and get yours.
