RACING BOATS PROVE UNLUCKY

Columbia Sold at Forced Auction to Meet Mortgage at Gloucester, Mass.

HALIGONIAN MAY ENTER

GLOUCESTER, Mass., Feb. 19.—The misfortune attending Gloucester fishing vessels which have competed in the international races with Nova Scotia fishermen has become proverbial here. The latest instance was the recent forced auction sale of the Columbia to meet a mortgage.

After the builder's lien had been satisfied, however, the Columbia was turned back to her managing owner, Captain Ben Pine, and his associates, and now there is renewed discussion of the possibility of another international contest next fall. The last of these series was held off Halifax in 1923 with the Columbia as the U.S. representative. This ended in a fiasco when the race committee ruled that Captain Angus Walter of the Canadian entry Bluenose, had forfeited an apparent victory by sailing on the wrong side of a course buoy and Walters refused to sail an extra race to decide the series. Captain Pine refused to accept the cup by default and since then it has been held by the trustees.

Favorable to Series

Efforts were made in 1924 and 1925 to renew the competition but Gloucester and Halifax could not get together on the conditions. The last exchange of communications indicated that the Nova Scotians were favorable to another series in 1926, probably off Gloucester, and Captain Pine is known to be anxious to have a chance to demonstrate that he has the best fishing boat on the coast. The Haligonian, built in Nova Scotia last year, is considered a likely contender.

In 1920 the Gloucester fisherman Esperanto with "Marty" Welch as skipper won the series from the Canadian boat Delawana off Halifax. In 1921 Welch again was the U.S. skipper, this time on the Elsie, but lost to the Lunenburg schooner Bluenose. In 1922 the Bluenose came to Gloucester and retained the cup by taking two out of three races from the Henry Ford.

Columbia Aground

The Columbia narrowly escaped wrecking in April, 1923, and ran aground off Gloucester in October of that year but sustained only slight damage. The Esperanto was lost in 1921 off Nova Scotia. The Delawana followed her to the bottom of the sea in 1924. One by one the other cup contenders, as well as some of the schooners which took part in the elimination races, have been wrecked until only the Columbia and the Bluenose remain.

HOCKEY MATCH AT SMITHERS

Burns Lake Won Six to Five Victory Over Home Team on Good Ice

SMITHERS, Feb. 19.—The local hockey team had their first encounter of the season against an outside team on home ice on Wednesday night when they went up against the team from Burns Lake, the visitors winning by 6 goals to 5.

The boys from the lake town came down on the way freight train and on account of numerous delays did not reach here until after nine o'clock and it was another hour before the game got under way, but the fans were treated to some fast play and in the excitement soon forgot all about the long wait.

Rink Manager Davidson had a good sheet of new ice and from the first whistle the opposing teams set a fast and merry clip providing plenty of thrills and tense moments. The home team were minus a couple of its their regular players but their places were taken by some of the younger boys who gave promise of making good players with a little more weight and experience.

The game was refereed by Norman Kilpatrick who was called on several times to check some of the over strenuous players who were sent to the fence for two minute rests.

The Burns Lake team was made up of J. McKenna, Ray Ashford, Jack Mowatt, R. C. Steele, R. Commons and C. Partridge. Spares, Wm. McKenna and A. Hickey. They were under the care of Manager Andy Ruddy and accompanied by a number of red-hot fans, who although outnumbered along the side lines, were able to make themselves heard above the noise and din whenever one of their boys pulled off a neat play.

Smithers team—Sid Robinson, Cliff Warner, Jim Millar, Ernie Dawson, J. Silver and Jiggs Graham. Spares, R. McKernan, Willie Orchard and John DeVoin.

Don't Cough Your Head Off Don't Cough All Night Long

Mrs. Thos. Gilbert, Welland, Ont., writes:—"Some time ago I took a very severe cold, and it settled on my lungs.

I coughed day and night, and had such severe pains, in my chest I could hardly bear them, but finally I sent and got a bottle of

Dr. Wood's Norway Pine Syrup.

After I had taken a couple of doses I found that my cough was relieved and the pains were all gone, and by the time I had finished taking the whole bottle I was completely rid of my trouble.

Now. I will never be without a bottle of 'Dr. Wood's' in my home."

Put up only by the T. Milburn Co., Limited, Toronto, Ont.

SKATING AT AUDITORIUM

Ice skating may come this winter yet, or it may not. And it is sure to go quick and little it cares whether it fools you. You must take it when you get it. You can't get it when you want it, but you can have roller skating. But the rollers go on for ever and you can have them when you want them. This is the great advantage of roller skating over ice skating to the skating loving public.

That this fact is being appreciated is readily seen by the crowds attending the Auditorium, particularly these last two nights when there was a full house, all enjoying themselves most merrily and gaily. Floor and skates were in the finest condition. There is no place better to spend a few hours than on the floor of a modern rink out in the bright lights where everything must be right. The music and skates are all harmless.

Here is where you can roll your sorrows away and remember your miseries no more; and start your life anew.
