Ald. Stephens' Request For Enquiry Into Duggan Removal Granted by Council

The appointment of a special committee consisting of Ald. hard it is to get glasses Perry, chairman, Ald. Jos. Greer filled of the proper strength and Ald. W. J. Greer to go into and axis. As a result of the matter was the result of Ald. stephens' motion at last night's council meeting calling for an investigation into the circumstances attending the removal. last fall of John M. Duggan from

> After his motion had been seconded by Ald. Casey, Ald. Stephens stated that the intefft was merely to have an inquiry into Mr. Duggan's removal in order to ascertain if he had been dealt ! fairly with. Ald, Stephens pointed out that Mr. Duggan had been in the employ of the city since 1910 and had apparently given! satisfaction to all the superintendents until the advent of theli present one last fall.

Ald. Brown, chairman of the utilities committee, pointed out that no successor had been appointed to Mr. Duggan. He had!

Wait For Inquiry

Ald, Siephens felt that Ald. Brown should withhold the giving of evidence until the enquiry was held. He felt that an attempt was being made to fore-Istall the investigation.

Ald. Brown denied that he had! any such intention. The utilities i committee would welcome an investgation though if investigations were to be held every time a laborer was laid off, the city! would be continually having such investigations.

Ald. Casey thought that it would be proper to grant the investigation that was requested. The motion was then carried.

Special Committee

Later in the evening, the question came up as to the form the investigation would take and, af-1 ter some discussion, it was decid-; ed, on suggestion of Ald, Casey, to have a special committee go into the matter to ascertain if full enquiry by the council in committee, Ald. Stephens and Ald. Brown objected to each other being members of this committee on the grounds of prejudice. The committee consisting of Ald. Perry, Ald. Jos. Greer, and Ald. W. J. Greer was then appointed, it being instructed to report back to the council after it had gone into the matter.

Ald. Stephens Makes Suggestion in Connection With Recommendation of Fulton Street Path

decided last night to construct ta four foot einder path on Fulton Street between Sixth Avenue lane and the Norfolk Rooms. The work, which Ald. Perry pointed out would tend to remove all danger to pedestrians on account of vehicular traffic at the point in question, would be paid for i out of general fund and the cost,

would be about \$100. While having no particular objection against the piece of work now proposed, Ald, Stephens stated that it was not fair to taxing for their own local improvements to have to contribute through general fund for such work as this. He suggested that the whole matter of sidewalks in Council Decides to Reimburse the city should be gone into and vork under the local improvethere was ungent need for side- it was engaged in the work
