sill, counsel for the Government of Al- telegram to the grain board expressing the canneries. Mr. McCaffery predicted,

ALBERTA TELEGRAM

terminal charges. As yet we have no IMPORTER IS copy of the application and are unable to state the amount of increase, but it is substantial. It now appears that if the increase is granted, the same will be made effective at Vancouver and Prince Rupert and result in a uniform tariff at all ports east and west. We contend charges should be fixed in accordance with conditions existing in each port and believe a uniform tariff will in some degree neutralize the natural advantages of Rupert.

"The grain board will be at Edmonton November 15. We have demanded adjournment for 30 days from date we receive copy of application and if your the facts and if possible agree on a common course of action."
