CHILDREN IN DANCE FROLIC

Wonderful Exposition of Modern Expression Given by Pupils of Mrs. H. O. Crewe

The carnival of dancing at the Westholme Theatre last night given by pupils of Mrs. H. O. Crewe was a wonderful exposition of modern expression by means of the dance.

The event is an annual one and is looked forward to by a great many people as one of the entertainment features of the year. Last night the program was extremely entertaining, every number having its own individuality and attractiveness.

Aiding a good deal with her accompaniments was Mrs. J. A. Hinton, while the Westholme Orchestra well adjusted itself to the occasion.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any colony in the British Empire. Mineral locations are granted to discoverers for nominal fees. Absolute Titles are obtained by developing such properties, the security of which is guaranteed by Crown Grants.

Full information together with Mining Reports and Maps, may be obtained gratis by THE HON. THE MINISTER OF MINES Victoria, British Columbia.

N.B. — Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C. Reports of the Geological Survey of Canada, Pacific Building, Vancouver, are recommended as valuable sources of information.

ADVISER OF QUEEN NOW LIVES IN FLAT

LONDON, April 6. — Having lived in Marlborough House, Sandringham, Buckingham Palace or other large mansions with members of the Royal Family, Miss Charlotte Knollys, friend and adviser of Queen Alexandra, has taken a flat in London and for the first time in her life will live in rooms with windows overlooking the street.

A new experience for Miss Knollys will be to see the milk-mat, postman and other tradesmen calling at her flat.
