

## VICTORIA DAY CELEBRATION

**Given Good Weather, Event Scheduled for Monday is Assured of Success**

With the joint committees of the Fair Board and Elks having expended generously of their energies, everything is now in readiness for the celebration and May Queen festival which will mark Victoria Day on Monday. The blessing of the weather man is now being invoked and, if he smiles favorably, the day's proceedings are assured of outstanding success. The program of sports will attract many while the ceremonies in connection with the crowning of the May Queen and the jitney dance to follow in the Exhibition Hall in the evening it is expected will draw a bumper crowd.

The celebration program will be as follows:

- 12.30—Boys' Band march from Sixth Street to Acropolis Hill.
- 1.00—½-mile Foot Race, boys 12 and under.
- 1.15—¾-mile Foot Race, boys 16 and under.
- 1.30—Public School Relay Race, 100 yards, 8 boys to team, 10 years and under.
- 1.50—1½-mile Bicycle Race, boys 12 and under.
- 2.00—Four Mile Bicycle Race, boys 16 and under.
- 2.30—One Mile Foot Race, boys 20 and under.

Glen McMillan dry dock superintendent, returned to the city on the Prince Rupert this morning from a business trip to Vancouver.

A. Watson, engineering superintendent at the dry dock, will sail for the south on the steamer Prince Rupert tomorrow night. Mr. Watson will supervise the installation of the engines in the new Okanagan lake boat which was built here.

### PRINCE GEORGE

There were a number of hair-raising experiences in the city during the big blow this week, but Arthur Dixon, district engineer, contends none equalled those of himself and the members of his family. They were at lunch when the storm lifted the roof off their dwelling. Mr. Dixon watched the roof raise and he saw it settle down again. It did not take very long, but he thought of a good many things while the staid old roof was doing its Charleston.

The wedding of Miss Jane Hunter Walker and Hugh McBain, both of Prince George, took place on Monday evening at the home of Mr. and Mrs. Alex Hutchinson, in Central. The service was read by Rev. S. T. Galbraith.

Motorists who were over the highway as far as Quesnel this week report little progress being made in the surfacing of that portion south of the Fort George district boundary. If a little speed is not shown the highway will be through the Fraser canyon before the Quesnel section is surfaced.

S.P. Welch met with an accident while returning to the city by automobile over last week end. The rain had made the road slippery and he was travelling without chains. In attempting to negotiate a turn in the road, on a grade, the car skidded down into the ditch and turned on its side. Mr. Welch and his companion got out through the upper side of the car without injury. Some damage was done to the fender and top of the car, but none of the glass was broken.

## Nervous Strain of Modern Life

LIFE was never lived at such high tension. There is a mania for speed, hurry and excitement. Nerve force is consumed at a tremendous rate and there is little time for recuperation.

But there is a limit to human strength. Sooner or later there comes the nervous breakdown. There is usually plenty of warning of the approach of nervous exhaustion or collapse. You find you do not rest or sleep well. You are nervous and irritable. Little things annoy and worry you. You may have indigestion and headaches. To get away from this condition you must have rest. You must help the
