The school board last night voted an extra day's pay to the janitor of Borden Street School for work done in repairing the stairway in that school.

A payroll totalling \$6,191.10 and accounts aggregating \$786.33 for the month of March were passed for payment at last night's school board meeting.

An invitation from the British Columbia Teachers' Federation for members of the board to attend the teachers' convention being held in Vancouver this week was received and filed at last night's board meeting.

Miss Edith M. Lauder, at present on the Borden Street teaching staff, had a letter before the school board last night asking for a transfer to Booth School staff if she decides to return to Prince Rupert after this term.

The school board decided last night to discontinue the carrying of children from Seal Cove to the Booth Memorial School for the summer months. The Prince Rupert Transfer & Taxi Co. has been giving the service under contract.

E. Rosseau, manager of Low-Inlet cannery, and his daughter, Miss Lila Rosseau, are paying their first visit of the season to the city. They arrived from down the coast on the Catala last night and are guests at the Prince Rupert Hotel.

Dr. J. P. Gade, after having spent a few weeks as a patient in the Prince Rupert General Hospital suffering from a severe attack of influenza, was able to return to his home this week and within a few days expects to be able to resume practice.

Union steamer Catala, Capt. A. Johnstone, arrived at 11.45 last night from the south and sailed at 1.15 this morning to make her calls at Anyox and the Naas and Skeena rivers before sailing from here on her return south at ten o'clock tomorrow morning.

D. H. Hartness, principal of Booth Memorial School, reported appreciatively to the school board last night on improvements that had been made to the school grounds. He reported the organization of baseball and football leagues under way already with J. S. Wilson in charge.

Miss S. A. Mills, principal of Borden Street School, asked the school board last night for a ruling as to the jurisdiction of a class at Booth School taught by Miss Hartin which for the past few months has come under Borden Street management. The board decided, pending a general readjustment of the whole school boundary question, to place the particular class in question under D. H. Hartness, principal of Booth School, until the end of the present term.

H. C. Stratford of Stewart was a passenger for Vancouver aboard the Prince George this morning. Mr. Stratford is the inventor of a new automobile differential gear which is being patented in all parts of the world.

R. Knox, assistant superintendent engineer for the Canadian Government Merchant Marine, who has been here for the past few weeks supervising work that has been proceeding at the dry dock on company vessels, returned to Vancouver on the Prince George this morning.

C.G.M.M. freighter Canadian Observer, which has been in the dry dock here for the past couple of weeks undergoing annual overhaul and having fuel oil carrying tanks installed, is now almost finished and is scheduled to sail next Thursday for Ocean Falls to resume her service.

F. P. Quinn, who has been superintendent engineer at the local dry dock for the past couple of years, ended his duties there this week and expects to move in the near future to Vancouver. Mr. Quinn is succeeded at the dry dock by A. Watson, who recently arrived from Montreal.

The regular monthly meeting of the school board is to be changed from the second Thursday in the month to the second Wednesday or Friday. Certain members of the board stated at last night's meeting that some other night than Thursday would be more convenient for them.

The regular monthly meeting of the school board was held last evening. Those present were H. B. Rochester, chairman of the board, Trustees W. O. Fulton, G. A. Bryant and Thomas McMeekin, Secretary J. L. Christie, Miss S. A. Mills, principal of Borden Street School, and Miss Ruth Stewart, principal of Seal Cove School.

H. G. Milvain, former chief engineer of the steamer Prince John, after having spent some time here at the dry dock on behalf of the Canadian Government Merchant Marine, returned to Vancouver on the Prince George this morning. He was accompanied by Mrs. Milvain, formerly Mrs. Isabel Black of Vancouver, whom he married here a few weeks ago.

H. R. Rochester, chairman, made inquiries at last night's school board meeting as to the money saving scheme now in vogue in the schools, particularly as regarded the amount of the teachers' time it took up. Miss S. A. Mills, principal of Borden Street School, in replying, expressed approval of the scheme and said that it involved little if any extra work for the teachers. A great deal of money was being put by, particularly in the lower grades, she stated.

Have You Ever Pondered? On the Reason for Spring Skin Worries? THE blood, like Nature's sap in the trees in Spring, is flowing stronger in the veins. THE accumulated impurities of Winter are forced through the pores of the skin in the form of pimples, rashes, blotches and irritating patches. Now, you need not worry if you use Zam-Buk. This famous herbal balm soothes and purifies the tissues in a wonderful way. It soon clears away all these Spring-season skin worries. Through neglect, the most trivial skin affection may develop into a serious case of eczema, poisoned sores, or psoriasis. But why risk this? Why experiment with ordinary fatty ointments? Begin using this wonderful herbal Zam-Buk to-day and make your skin clear and healthy in quick time. When "Spring-cleaning" remember that Zam-Buk prevents sore hands and quickly heals cuts, scratches, burns, scalds, abrasions and other injuries. Zam-Buk is also a fine remedy for shaving soreness, boils, abscesses, poisoned wounds and sores, scurf, ringworm, bad legs, ulcers and piles. FREE! Trial Sample Box from Zam-Buk Co., Toronto. Mention this paper. 50c. net. 3 for \$1.25.
