ELEVATORS ON PACIFIC COAST

THE DAILY NEWS

Prince Rupert Prominently Mentioned in Harbor and Shipping, Published at Vancouver.

For the first time Prince Rupert is listed as a port with an elevator in Harbor and Shipping. a Vancouver publication. The article in which this appears shows that Prince Rupert has one elevator with a capacity of 1,250,000 bushels, whereas Vancouver has six with a total capacity of 6,900,-000 bushels. Yet Conservative leaders have objected strenuous-i ly and vigorously to Prince Rupert getting even that little. The Vancouver elevators are as follows:

How Can They Expect **Prince Rupert Support?**

In view of the manner in which leaders of the Conservative bushels. party have consistently opposed anything in Prince Rupert, and particularly the elevator, it seems really wonderful that they Co., Ltd., 200,000 bushels. can expect any residents of this district to support them. Today we publish a news item showing that while Prince Rupert has us that one had it not been for the persistence of Fred Stork, WILL REVIEW backed up by Fred Dawson, with the sympathetic support of the Liberal leaders. Now we have it and it would be wise toj stay by the ship and see that it is put into operation. This is no time for a change, for we do not want another setback.

Mackenzie King Is Busy Man.

Mackenzie King is a busy man. It keeps him working all the time to prevent the Tories getting ahead of him, and he is succeeding. He was unable to come here because he considered he was not needed here as badly as at many other places. Prince Rapert people would have given him a royal welcome had he been able to get this far, but they realize the position and will elect their candidate anyway. He is probably the most active and hardest worked man in the whole Dominion today. It is great to have such a leader. What Victoria Paper

"Where's the band ?"

-And with that query a squad of railroad workers in a little Quebec village craned its necks to "see the parade". The music was coming from a new Orthophonic Victrola in a neighboring home.

In Winnipeg, the other day, a prominent organist stopped in the street to listen to the strains of pipe organ music floating from a window above. Mystified-led on by the touch of a master organist, he followed the music to its source, a new Orthophonic Victrola.

From the four corners of the Dominion-come these true stories of the "realness" of Orthophonic Victrola music.
