# Prepare for Winter Driving

# Spark Pulos

A new set will assure easier startingbetter performance-save oil and gas.

If you have not installed new spark plugs within the past year, or if your present set has gone 10,000 miles, you will make certain of quicker starting and better engine performance during the coming winter if you install a complete set of dependable Champions NOW.

Hundreds of thousands of motorists who installed new Champions during Champion National Change Week last spring have enjoyed better service since that time. You, too, will experience much more satisfactory motoring if you make it a regular practice to put in new spark plugs once a year.

Stop at your local dealer's and he will supply you with a set of the correct type of Champions for your car.

# BEHIND THE SCENES

The most important work we do goes on 'behind the scenes" in our prescription room. When your prescription is compounded by us you may rest assured that you are getting exactly what the physician specifies. And each prescription is checked to insure absolute accuracy.

When sickness comes, we want you to feel that you can confidently depend upon us to fill the prescription right.
