ASKS OTTAWA FOR POWER TO RESTRICT

Blue Sky Powers Requested by Legislature of Alberta From Ottawa

EDMONTON, March 5. — The province of Alberta is asking the Dominion government to give it power to protect investors by exercising supervision over new companies floated within the province under Dominion statute. At present there is no such power as the wild-catters get dominion rather than provincial charters.

When the matter came up in the Legislature the members were unanimous in their request.

PIONEER STORE IS TO CELEBRATE BIRTHDAY TOMORROW SATURDAY

Jabour Bros. Anniversary Being Marked by Large Addition to Present Premises

A birthday is being celebrated at Jabour Bros. store tomorrow it being the eleventh anniversary of their business in its present premises. Among the first merchants doing a real business in Prince Rupert, the Jabour family are numbered among the pioneers of the city. Eleven years ago they erected the present building, of which they then only occupied a third. In 1920 their business had so increased that they had to double their floor space. Now, in 1926, the growth of their trade has made it necessary for them to require the whole frontage of seventy feet on Third Avenue.

Notwithstanding the cry of dull times, Jabour Bros. are doing the business and are prepared to give better service than ever to their customers, both in the city and the district.

Men's Clothing

The new corner added to their store will be used for an increased stock of men's clothing and furnishings, etc., thus making Jabour Bros. store one of the most complete and self-contained in the north.

An invitation is issued to the public to inspect the new premises tomorrow, the opening day, Jabour Bros. birthday, and special prices have been made in all departments to make the visits of their customers both pleasant and profitable.

SPORT CHAT

Twenty years a champion whose skillful use of the cue has at various times lifted him to the peak in every department of professional American billiards, Willie Hoppe has begun preparation to defend the last of his titles. His final stand, a defense of the 18.1 balkline crown, will be made against the clever Belgian, Edouard Horemans, whose sensational matches in Chicago against Jake Schaefer for the 18.2 title are still fresh in the recollection of billiard followers. Winner of the championship in his first series with Schaefer, Horemans held it for only a few weeks before Schaefer wrested back the title, but in those two matches the Belgian displayed so marvellous a cue that his drive for Hoppe's only remaining crown has taken added importance.

Hoppe lifted the 18.1 title from Maurice Vugnaux at Paris in 1906 at the age of 18 years, but it was not until three years later that he gained possession of the most coveted of the balkline honors, the 18.2, by defeating George Sutton in New York. Later Hoppe extended his supremacy to the 14.1 balkline realm, easily defeating all comers. This was the first title to pass from him, however, for the 14.1 game, never popular among the players, was discontinued more than ten years ago. In 1921 Schaefer deposed Hoppe as 18.2 balkline king but Willie regained the crown a year later and defended it successfully against all challengers until last March when Schaefer again obtained it. Hoppe refuses to consider that he is "through" or anywhere near that stage. As a matter of fact, he still has hopes of winning back the 18.2 laurels he held for nearly 17 years, and has announced that he will file a challenger against the winner of a match between the present champion and Eric Hagenlacher of Germany, March 9, 10, 11.

CLOSE CONCENTRATION OF LADY GOLF PLAYER

Miss Joyce Weatherhead Did not Hear Train Whizz Past When She Was Putting on Green

LONDON, Mar. 4.—Miss Joyce Wethered, "the Harry Vardon of woman's golf" is reputed to have greater concentration than any other woman golfer.

Recently she was playing a three yard putt when a railroad train whizzed by within 100 yards of her. She sank the ball in spite of the noise. One of her companions remarked that he was surprised the train had not interfered with her play.

"What train?" she asked.

Miss Wethered is an ardent fisherwoman, enjoys motoring, is a keen tennis player, skates well and is fond of skiing and bobsledding. At present she is in Switzerland enjoying Winter sports. She refuses to devote her entire time to any single form of sport. Her refusal to play this year for the golf championship is said to be due largely to unwillingness to give up all other outdoor activities and devote her time to golf.
