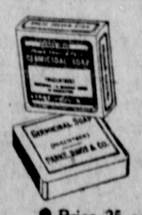
This Parke-Davis Soap does three things:

GERMICIDAL SOAP, made by Parke, Davis & Co., cleanses the skin, kills disease germs, and destroys the odor of perspiration.

A pure, neutral soap combined with iodide of mercury. That's what it is. The soap cleanses. The iodide of mercury kills those germs that cause blood-poisoning, disease, and the odor of perspiration.



Used for:
Bath
Dandruff
Ringworm
Headlice
Boils
Wounds
Body Odors
Barber's Itch
Skin Eruptions
Perspiring Feet

Price 25 cents a cake.

Only Pure Soap is Safe!

Safe for everything you put into your weekly wash!

INTO the tub the things go....and down under the suds.... Quickly the soap goes after the dirt—But how does it affect the fabrics?

If it's pure soap, it does the cleansing by simply removing the dirt without harm to colours or fabric.

But how often damage is done by impure soaps and chemicals.

What a Risk There is, Then, with Impure Soaps—What Safety with Pure Sunlight!

Pin your wash-day faith to a soap which every woman knows is pure.

Trust everything that you wash in tub or machine to the mild, gently-cleansing suds of pure Sunlight Soap.

For Sunlight Soap is free from injurious chemicals. Its purity is backed by a $5,000 guarantee!

Mrs. Experience says

"For me the days of soap experiments have passed.
"I have every confidence in the purity and efficiency of Sunlight Soap.
"It saves my household linens and does beautiful work."

And Being Pure, Sunlight is Saving Too!

Because it never harms any texture, but helps fabrics to last longer, Sunlight Soap is the most economical soap to use in the long run—the most economical soap for you!
