APPOINTMENTS LOCAL SCHOOLS

High School Principal Not Yet Decided Upon Until Recommendation is Received

At the meeting of the school board last night it was decided to postpone making an appointment as principal of the High School until a recommendation had been received from the inspectors. Chairman Rochester announced that a number of applications had been received but the board were not in a position to know what teachers were best fitted for the position so they would communicate with the inspectors at once and on receipt of a reply the appointment would be made.

Miss Josephine Charlebois of Victoria was appointed French teacher at the High School in place of Miss St. James, Miss Margaret Palmer is to have charge of Grades 1 and 2 at Seal Cove School on probation, and Mrs. Adele B. Lisney who was previously appointed to Grades 1 and 2 is now transferred to Grades 3 and 4 at Seal Cove and assumes the principalship, in place of Miss Ruth Stewart who resigned to accept a High School position at Enderby.

CHANCE FOR PARTY MEN AND WOMEN TO SUPPORT THOSE THEY ARE BEHIND

Plenty of Opportunity Yet For Anyone to Win One of the Prizes in Competition

Most people are reading this column and a verse in support of a party or candidate gives an opportunity for party men and women to express themselves and forward the cause they espouse. A verse does not need to favor either side as is seen in at least one of those published herewith:

Now we have an M.P. to elect,
Either Brady or Stork to select.
Jim Brady's a scholar
Not after the dollar,
And Stork has won fame and respect.

A political nut I oft see,
As nutty as any could be.
He's all wrong in the head
And should take to his bed,
Which? Of course a Conservative he.

Our country needs men good and true,
To elect one is now up to you.
Either Meighen or King
Will be leading the ring,
So vote for the best man in view.

So sadly I think of the fate
Of J. C., our own candidate.
When election is over
He'll again be a rover,
For the voters'll give him the gate.

Rules of Contest

The rules of the contest follow:

Each verse should be written on a separate piece of paper and signed by the author, not for publication but as a guarantee of good faith. Only the names of the winners will be published.

The verses must, as far as possible, be perfect limericks. No other class of verse is admitted.

Many of the verses will be published but not necessarily all.

Verses should be mailed to "Contest Editor," Daily News or to be left at the office.

NEW ZEALAND ALL-BLACKS ARE COMING

Famous Rugby Team on Way to England Through Canada.

MNTREAL, Aug. 13.—An advice has been received by the Canadian National Railways that the New Zealand rugby football club, better know as the "All Blacks," sailed from Auckland, New Zealand on the M.S. Aorangi on August 3 via Canada. The team will not play any games in Canada on the way to England, as they are proceeding direct from Vancouver to Montreal on the Continental Limited, the transcontinental train of the Canadian National Railways, and will embark for Liverpool immediately on their arrival at Montreal.

The party, consisting of twenty-six players, all of whom are of international calibre, is in charge of E. H. Mair, Australian representative for New Zealand and manager of the New Zealand team who is accompany the party as team manager.

Play Test Matches

While in Great Britain the tourists will meet the best English rugby clubs of England and Wales as well as engaging in several test matches. The test with the English representative team will be staged at Twickenham, near London, while the All Blacks will play the pick of Wales at either Swansea or Cardiff. On the conclusion of their tour in January, 1927, they will return home via Canada, but owing to the climatic conditions at the time, it is not expected that any games with Canadian teams can be arranged in eastern Canada or on the prairies, but it is probable that some exhibition games between the returning tourists and British Columbia teams may be arranged before the New Zealanders sail for home.

BEST BASEBALL GAME PLAYED

Grand Terminals Beat Gyros Five Runs to Nothing Last Night

In one of the best baseball games of the season the Grand Terminals last night beat the Gyros by 5 runs to nil before a large crowd of fans.

There was snappy fielding on both sides and the Terminals had the best of the batting. The Grand Terminals club has been considerably strengthened with new players recently and the team showed up to advantage in last night's seven inning game, their batting abilities being greater than their opponents.

The Terminals got one run in the fourth inning, one in sixth, and three in seventh.

Dave Balfour acted as umpire and Jimmy Farquhar took care of the bases.

Batteries — Grand Terminals, Lobbick and Downey. Gyros, Schlenker and McKeown.

SPORT CHAT

Suzanne Lenglen was compelled to retire from the amateur tennis ranks because she "realizes she is through as a tournament player," is the opinion of William T. Tilden, national champion, expressed recently.

Tilden voiced the belief that Mlle. Lenglen now realizes that her temperament is not fitted for her to continue in the amateur fold and for that reason withdrew from the last Wimbledon tournament. He says he can see no possibility of professional tennis succeeding unless seven or eight of the first ten players, both men and women, follow Suzanne's lead.

At the Chiswick sports held in London recently Miss D. A. Green, jumping 5 ft. 1 3-8 ins., set what is claimed as a world record for the running high jump for women. Although there is no recognized world record for the high jump, the best mark hitherto accepted is 4 ft. 10 7-8 inches set by Miss Katherine Lee of Chicago in 1923.

Mrs. Gertrude Ederle, mother of the 19-year-old conqueror of the English Channel, who lives at Highland, New Jersey, declared she was "a very proud mother," when hearing the news of her daughter's successful swim. When found in her seaside cottage, Mrs. Ederle was without details of her daughter's accomplishment and while she asked eagerly about Gertrude's physical condition after the swim, she evinced no surprise when told the girl had left the water fresh and strong. "She is a wonderful kind," she said.

Chester C. Mills, a Seattle cyclist, was recently killed when his wheel collided with an automobile driven by Cornelius Verhamme, aged 19. Mills won the Pacific coast 25-mile bicycle road championship in Vancouver recently and was practicing at the time of the accident.
