SOLID 18K GOLD

Some wedding rings are made by melting the gold into a mould. These are apt to have bubbles and be somewhat soft.

Others are made by bending a strip of gold and joining the ends.

We sell the seamless kind, hammered from one solid piece of gold. These are firm and hard and will wear much longer.

Prices from $6.50 to $15.00.

MATRICULATION CLASS IS OFF

School Board Decides to Abandon Senior Grade Owing to Lack of Pupils.

At the meeting of the school board last night, it was decided that the senior matriculation class for this year would be abolished as only one pupil for sure would attend while a second may possibly be available. An application had been received for the position of teacher and one chosen tentatively, but the appointment was cancelled and the class will not be carried on during the coming year.

The question of some of the pupils in the senior matriculation class last year not having yet taken their supplementals for the first year, was discussed at the meeting and a letter from the superintendent of education in regard to the matter was read. It seems that local students failed in their supplementals and therefore could not be given their senior standing until these had been made up. Some of them, Trustee Johnstone said, were going to take both senior and junior supplementals this fall. The letter from Mr. Willis follows:

H. B. Rochester,
Chairman, School Board.

I beg to acknowledge receipt of your letter of the 31st ultimo.

If you will kindly refer to the program of studies for high schools you will find that to obtain full senior matriculation standing a candidate must have completed both the junior and senior matriculation examinations. Some of the Prince Rupert candidates who sat for the examinations in June passed in all the senior matriculation papers but had not completed all the junior matriculation papers and, consequently, cannot be given full standing.

In the June examinations one Prince Rupert candidate gained full senior matriculation standing, two passed in all subjects of senior matriculation but have a supplemental of junior matriculation still outstanding, a fourth candidate passed all but one paper of senior matriculation and will be entitled to full standing when he removes supplementals in both junior and senior matriculation, a fifth obtained senior matriculation standing with one supplemental, a sixth obtained standing in four subjects only, a seventh in three subjects only, an eighth has still outstanding two supplementals of junior matriculation and passed in June in three papers of senior matriculation.

S. J. WILLIS,
Supt. of Education.

SEE YOUR NAME IS ON VOTERS' LIST OR YOU MAY LOSE VOTE

Every person who thinks himself entitled to vote should see that his name is on the list and should do it at once. If in doubt call at the office of one of the political parties or at the registrar's office in the Westenhaver Building. Action must be taken this week or it will be too late.
