MANSON ASKED TO BE ARBITER

Eligibility of Edmonds Councillor Is Referred to Attorney General.

EDMONDS, July 24.—Question of the eligibility of Charles C. Bell to service as councillor on Burnaby Municipal Council, following loss of his property qualifications on a technicality, will be referred to Attorney General A. M. Manson for his decision, according to a motion by Councillor Hans Engberg, and passed by the Burnaby Municipal Council.

The motion was made following reading of a letter from Robert Baird, inspector of B. C. municipalities, advising Councillor Bell to resign in view of serious penalties, provided for infraction of this section of the Municipal Act.

Councillor Engberg said that he did not think Inspector Baird was acting within his rights and said he believed the inspector did not understand the trivial nature of the disqualification technicality. Councillor Engberg then advocated that permission be asked from the attorney general to allow Councillor Bell to sit until the end of the year, thereby saving ratepayers several hundred dollars expense.

Only at one time in the meeting did fireworks show signs of developing. Councillor Moore inquired if Reeve McLean's private investigator had discovered that the encumbrance against Councillor Bell's property had been cleared off?

"No Investigator"

"I know of no such private investigator," Reeve McLean replied.

"Oh yes you do," shot back Councillor Moore, the one that wrote the anonymous letter advising that Councillor Bell was ineligible to hold office."

"There was no anonymous letter," said Reeve McLean.

The motion to have the matter referred to the attorney general was finally passed.

Mrs. J. W. Collier and daughter Pearl, accompanied by Mrs. P. Linstead and Master Arthur Linstead, leave on the Prince George tonight to visit with Mrs. George Arter, Vancouver. Before returning, they will visit friends in Seattle and other southern cities.

FAIR WAGE LAWS AND OTHER MEASURES ARE SUBJECT OF ADDRESS

Frank V. Foster Was Speaker Before Labor Council Last Night

Frank V. Foster, member of the Eight Hour Day Board operating under the Hours of Work Act, was the speaker at a special meeting of the Trades and Labor Council last night, S. D. Macdonald, president of the council, in the chair.

Mr. Foster went into the matter of the Minimum Wage Act in much detail. The speaker told of the work he had been doing in the city to correct, as far as possible, the overlapping of hours of work. He explained that the minimum wage for male employees had been set at 40 cents per hour and, while the workers would naturally like to earn more and perhaps some would think the rate was not equitable, it had been a step upward and incidentally would aid something like 8,000 men employed in the various mills of the province and would tend to eliminate Oriental labor. In this city, the speaker said, there were infringements by employers in the minimum wage payments to girls. This matter was being looked into and, if necessary, the government would solicit the aid of the provincial police to see that the act was enforced.

The regulations under the act provided that a placard should be posted in places of employment, including stores, giving the essence of the act and setting out just what the employees could expect to obtain under the working of the act.

At the conclusion of the address a vote of thanks was passed to Mr. Foster for his detailed explanations.

Mr. Foster will return to Vancouver today.

GARBAGE MEETING

The finance committee of the city council last night met a delegation representing those opposed to the charge of night-soil collection and the matter was thoroughly gone into. As a result it is expected that the committee will recommend to council Tuesday night that the charge be sustained for the present year but that the bylaw be revised in 1927.

Owing to inclement weather the Intermediate football game between the R.C.N.V.R. and the High School was postponed yesterday.

LAWN SOCIAL AT TERRACE THIS WEEK SUCCESSFUL AFFAIR

TERRACE, July 24.—Wednesday evening proved an ideal night for the lawn social held at the home of Mr. and Mrs. O. T. Sundal, under the auspices of the Women's Auxiliary to the Terrace Hospital. A good musical program had been arranged, those taking part being Rev. and Mrs. Wm. Allen, Miss Kerr, Mrs. Geo. Keith, Mrs. Robt. Haney, Miss Kathleen Burnett, Miss Mona Greig and Miss Etanda Marsh. Mrs. Attwood's orchestra was present and added much to the enjoyment of the evening.

The home-made candy and flower booths were well patronized during the evening. Miss Helen McLeod, of Prince Rupert held the lucky ticket for the large box of candy which was raffled.

Supper was served on the grounds by the committee in charge. Total receipts for the evening amounted to somewhat over $50.

TERRACE NOTES

H. C. Creelman of Lucerne is in town on a short business trip.

Mrs. Robt. Donald and three sons left on Thursday for Vancouver.

Shirley and Arthur Sager, children of Dr. and Mrs. Sager of Port Simpson, who have spent some weeks at the home of Rev. and Mrs. Wm. Allen, Terrace, left for their home on Thursday.

Wm. Attwood of Lakelse Valley went to Prince Rupert on Wednesday.

Owing to the unsettled weather the community picnic which was to have taken place this Friday has been postponed until next Friday.

NEW HAZELTON

Mrs. W. Williscroft left on Tuesday for her home in Vancouver, after being a guest of Mrs. R. S. Sargent for a couple of weeks.

Mrs. E. R. Cox recently received word from Thos. Hankin that he had made a rich strike in the placer gold field at Dease Lake and that he hoped to make a good cleanup. Tommy went into the Dease Lake country as soon as the first reports of gold were made, and he has remained there since.

Capt. and Mrs. Wheeler of Telkwa spent several days in this district last week. Capt. Wheeler was on soldier settlement business.

Mrs. Bates of Smithers made her annual trip to New Hazelton and Hazelton last Sunday by car. She was accompanied by Mr. and Mrs. W. Boyer, and Mr. and Mrs. R. W. Champion and daughter.

Three people arrived on Wednesday from Prince George by car and camped a couple of days at Sealy Lake for the fishing.

H. Berge left this week for the Babines to work in the mines.

Mrs. Fakeley is spending some weeks at Mrs. Newick's and is renewing old acquaintances here. She arrived from California last Monday night after an absence of over a year.

Hugh Harris returned on Tuesday morning after a trip to Smithers, Topley and Burns Lake.

T. A. McMartin and Frank Taylor motored from Smithers on Wednesday on business.

It is years since the gardens in this district welcomed a rain as they did over last week end. While it was not heavy, the gardens were greatly benefitted, as the three weeks of hot, dry weather accompanied by more or less wind, had pretty well dried out the first few inches of surface soil.

PURE BEER PURE BEER

Beer Analyzed By Experts

ALL the Beers purchased by the Liquor Control Board of B. C. from the Vancouver Breweries Limited, Rainier Brewing Co. of Canada Limited, Westminster Brewing Co. Limited, Victoria Phoenix Brewing Co. Limited and the Silver Spring Brewery Limited, who are all members of the Amalgamated Breweries of B. C., for sale at Government Liquor Stores and the Licensed Beer Parlors, have been and will be analyzed from time to time by different expert firms of the continent for the protection of the public.

THE substance of these various analyses instigated by order of the Liquor Control Board shows that the Beers are perfect, the taste agreeable and malty. The foam is creamy and stands up well. The alcohol by weight is about 4.26 per cent. and the extract 5.49 per cent. with an original gravity of about 13.20. These analyses indicate further that the Beers are of good quality, wholesome and free from any foreign substance.

TO make a good Beer with such health-giving qualities it requires a skilled brewmaster and an up-to-date hygienic plant, such as maintained by the above mentioned Breweries. These plants are open for inspection and visits of the public are gladly solicited. Only the best materials obtainable are used in the manufacture of the Beers.

THE Brewing capacity of the above Breweries, members of the Amalgamated Breweries of B. C., is about eight times as large as the present output, which gives best assurance to the public of receiving only fully matured and properly aged Beers for many years to come.
