CUT OF LOGS MOUNTS HIGHER

Almost Forty-six Million Board Feet for Year to End of June

The cut of logs in this district as shown by the official scale at the local forestry office for the first half of the year to the end of June reached very nearly forty-six million board feet in addition to poles, piles and ties. The exact amount was 45,968,651 board feet. Ties a little less than 100,000 while close to half a million lineal feet of poles and piles have been measured by local officials.

For the month of June alone the log scale was 15,333,690 board feet made up as follows:

JAP LICENSES

Editor Daily News.

I agree with your editorial of yesterday, to the effect that the railway company fails to grasp the importance of our attractions to tourists and that for lack of enthusiasm on the part of our citizens, we are going to seed. The latter is not to be wondered at, when so many obstacles are thrown in our way. Take the case of the Sommerville Cannery. Mr. Millerd, a young and energetic man, moved his family here, intending to make this the headquarters of his operations, assemble all of his pack here and export on ships carrying wheat, thus providing the cargo that would bring ships here for part cargoes of wheat. In addition to salmon, he canned clams, thereby distributing to white employees, quite a sum of money.

Finding however, that he was not given an even break on Jap licenses with those who make Vancouver their headquarters, coupled with the fact that in order to get any Jap licenses he had to close his own cannery and lease another, he became disgusted and moved his family back to Vancouver. Consequently, Prince Rupert loses the sort of man that we say we need. I have no knowledge of you having championed Mr. Millerd's cause, yet the late Government, of which you are a supporter, is solely responsible for this knock. One wonders, if this had happened under a Conservative Government, if you would have been silent?

Thanking you, I am
G. W. NICKERSON.

TERRACE NOTES

At the monthly business meeting of the Women's Auxiliary to the Terrace Hospital, held on Tuesday afternoon, arrangements were made for a lawn social to be held on Wednesday evening, July 21, at the home of Mr. and Mrs. O. T. Sundal. The ladies were later addressed by Miss Davidson, Dominion organizer of home nursing classes under the Canadian Red Cross Society. Miss Davidson very clearly and concisely outlined the work of the Red Cross Society since the war and their reason for remaining active in peace times.

Jack Gilbert of New York, is here on a short visit with his parents, Mr. and Mrs. C. R. Gilbert, enroute to the east after a business visit to the Bloedell & Donovan Lumber Co., Bellingham Wash., in whose New York offices he is employed.

Miss Lavina and Master Pete Eby of Smithers arrived in Terrace on Wednesday to spend a holiday at the home of Mr. and Mrs. Geo. Little.

At the recent musical examinations held in Prince Rupert recently Miss Kathleen Burnett took first class honors and Miss Janet Young passed with honors. Both girls are pupils of Miss French, Terrace.

D. K. Kennedy, Victoria contractor, is returning south on the Prince Charles today with a crew of men. Mr. Kennedy had the contract for the building of the new Gosse-Millerd cannery at Shannon Bay and also built a new wharf at the Port Clements sawmill.

NAVAL RESERVE SCORES A WIN

Defeated Y. Macs in Intermediate Football Last Night By Score of Four to One.

The Naval Reserve team broke into the win column in the Intermediate Football League last night at the expense of the Y. Macs, whom they defeated to the tune of 4-1. The Y. Macs scored their lone tally during the first period when, after repeated attacks upon the Navy citadel, Gawthorn banged the ball across and into the goal mouth.

In the second half the Naval Reserve enjoyed the bulk of the play and Sims broke through for two goals. He made it three on a penalty shot, and the fourth was added when a corner shot was inadvertently kicked in by one of the Macs defense. On the whole the play was evenly divided and the Y. Macs were unfortunate in not getting more counters.

C. J. Normington, refereed the game in a very satisfactory manner.

The last game of the first half of the schedule, a postponed fixture between the High School and Naval Reserve, will probably be played on Saturday.
