MAYOR NEWTON ENTHUSIASTIC

DECLARES CONSERVATIVES WILL SWEEP COUNTRY AT NEXT ELECTION UNDER TOLMIE

"The Conservative party of British Columbia, all cleavages healed, now stands united under the leadership of Dr. S. F. Tolmie and will sweep the polls at the next provincial election." So asserts Mayor Newton, first delegate to return home after attending the convention in Kamloops last week. He returned to the city on yesterday afternoon's train.

Mayor Newton, in an interview just after he stepped off the train, gave some interesting impressions of the convention. Dr. Tolmie's selection as leader and his subsequent acceptance on Thursday night was accompanied with scenes of enthusiasm unrivalled in the political annals of British Columbia. After Mr. Bowser's withdrawal from the leadership contest on Thursday morning, Senator J. D. Taylor of New Westminster, and Leon Ladner, M.P. of South Vancouver, were the two principal contenders for the leadership and successive votes resulted in deadlock between them, neither being able to carry sixty per cent of the convention. It was early in the evening that Mr. Ladner, seconded by Senator Taylor, moved that the leadership be offered to Dr. Tolmie. This was at first thought by the Taylor-Bowser faction to be a trick on the part of Mr. Ladner, he knowing that Dr. Tolmie would refuse to accept. Deadlock again prevailed and a committee consisting of senators and members of parliament was sent out to consider the situation. On the return of the committee, Mr. Ladner and Senator Taylor again moved that Dr. Tolmie be offered the leadership. Dr. Tolmie then accepted and the motion was carried as the convention virtually raised the roof of the Masonic Temple where the meeting was held.

There were some five hundred delegates at the convention and the crowd overflowed all hotel and restaurant facilities the little city had to offer. It was sametimes a problem for the delegates to find eating accommodation during the brief adjournments between the morning, afternoon and evening sessions of the convention. Many of the delegates were billetted for lodgings in private homes and His Worship was one of those so accommodated.

While in Kamloops, Mayor Newton met and was dined by Mr. and Mrs. Cyril Westaway, formerly of this city and now residing in Kamloops. He had intended to get out to the Provincial Home and visit Weston Coyney, formerly of Prince Rupert, but the limited time at his disposal did not permit of his doing so.

The mayor says the rest of the Prince Rupert delegates may return home this week, A. W. Edge being due by Wednesday morning's boat.

"Three years ago," she writes, "my husband and I attended a wedding Sumas. On the way home we were shown through your plant at Abbotsford and out of curiosity I decided to try Pacific Milk. . . . I found it so good . . . we have used it a great deal ever since."
