A glance over the list of the ten best sellers in non-fiction last year shows Bruce Barton's "The Man Nobody Knows" and great results that I took three more, Giovanni Papini's "The Life of Christ" well toward the top. Demand for these and other books on religion is reported even greater than in 1925.

# Perfect Milk for Everu

DERFECT MILK - because it is just that; natural milk as it comes from selected herds; fresh full-cream whole milk, with the water alone removed.

FOR EVERY USE — because it is ready. not only for every use to which fresh milk can pe put, but at all times - regardless of heat or cold; whether the milkman has called or not; at mid-day or midnight; in home or nursery; in summer cottages; on trains; in the room of the girl who "boards herself"; in the camps of the followers of trail and stream.

#### The New Klim

is whole milk in powder form. It is milk, less the water, but containing all the nutritive qualities, all the freshness, all the fragrant odor, all the sweetness of Nature's perfect food. Merely add water and you have natural milk, cream and all-but pasteurized and made doubly safe.
