ISLANDS ARE OPENING UP

Prince John Brings Heavy Freight Cargo and Passenger List for Various Points

After a fine trip up the coast which was made in the good time of 4½ days in spite of the fact that, leaving Vancouver, the vessel was loaded to the hatches with freight for canneries and other reopening industries on the Islands as well as a passenger list that took up all her accommodation, C.N.R. steamer Prince John, Capt. E. Mabbs, arrived in port from Vancouver via the Queen Charlotte Islands at 5 o'clock this morning. The steamer brought about 30 passengers here and 200 tons of coal which is being discharged at the dry dock. She will sail on her return south at 8 o'clock Saturday night.

The Prince John brough north from Vancouver to Aliford Bay a party of about twenty persons consisting of officials and crew of the Maritime Fisheries cannery there and including D. T. Sandison, the manager; William Rennie, who was on the floating cannery Laurel Whalen last year and who will be foreman at Aliford Bay this season; Mr. Robertson, accountant, and Mrs Robertson and Miss Fraser, Mrs Robertson's sister.

The John also brought from Vancouver part of the crew of the B.C. Packers' cannery at Watun River.

Indigestion and Bilious Spells

Mrs. Kempton Crocker, Hantsport, Bishopville, Kings Co., N.S. writes:—"My husband suffered from kidney and liver derangements and lame back, for two years. Nothing seemed to help him. We read in Dr. Chase's Almanac of Dr. Chase's Kidney-Liver pills and he tried them. By the time he had taken two boxes he was quite well again.

PERHAPS it has never occurred to you that your troubles from indigestion are really caused by torpid liver action and consequent constipation of the bowels. Stomach tablets and lotions sometimes afford temporary relief but they do not get at the cause.

Dr. Chase's Kidney-Liver Pills positively remove the cause of trouble by their direct and combined action on the liver, kidneys and bowels. A single box will convince you of their efficiency.

YUKON RIVER ICE BREAKING

Weather Report Says River is Clear at Whitehorse—Fully a Month Ahead of Usual Time

Setting up far and away a new record for the movement out of the winter's ice, the Yukon River at Whitehorse was open this morning according to the daily weather report of the Yukon Telegraphs.

Told of this report, Inspector A. E. Acland, R.C.M.P., for many years stationed in the Yukon and a good part of the time at Whitehorse, stated that it was the earliest he had ever heard of the river being open at that point. It is at least a month ahead of the usual time. The rising water at Whitehorse is usually soon followed by the break-up further down the river at Dawson which generally does not occur until the end of May.
