BASKETBALL TEAMS HERE

James R. Mitchell in Charge of Party From Anyox to Play Tonight

To meet the local High School teams in a return series of games, boys' and girls' basketball teams representing the Anyox High School arrived in the city on the Prince Rupert this morning, the party being in charge of Mr. and Mrs. James R. Mitchell.

The visiting teams are as follows:

Boys—Ted Swanson (captain), T. Asimus, J. Lazoreck, E. Clay, Stuart McLachlan and A. Lindgren.

Girls — Misses J. Morley, A. McLachlan, T. Deeth, M. O'Neill, B. Chapman and J. Calderone.

Homer Clay and George Johnstone also came south as supporters of the smelter town teams.

As a result of the games played at Anyox before Christmas when the local teams went north, the girls are on an even footing, each having won one game while the Anyox boys won one game and drew one in the first series.

The games here will be played in the Exhibition Hall tonight and tomorrow evening. Tonight's game will be followed by a dance in the Elks' Home and on Sunday afternoon the visiting teams will be entertained at a banquet in the St. Regis Cafe.

Eddie Mann will referee the games.

The Prince Rupert teams have been selected as follows for tonight's games:

Boys— Isa Katsuyama, Yoshi Katsuyama, Perry Baisler, Bob Matheson and Alex Mitchell; spares, Harry Walker and Clarence Thompson.

Girls—Misses Laura Frizzell, Evelyn Dalby, Vera Smith, Helen Sim, and Ada Minzgohr; spares, Jean Grieve and Margaret Kergin.

ST. ANDREW'S LEADS IN WHIST LEAGUE

Won Over Sons of England While Moose Were Defeated by Knights of Columbus

St. Andrew's Society, winning over the Sons of England last night, while the Moose Lodge went down to defeat at the hands of the Knights of Columbus, took leadership in the Fraternal Whist League for the time being at least. The Scots, however, have by no means a cinch on the position for the Elks are only one point behind with one more game to play and St. Andrew's Society has yet to meet the Moose in a postponed game. The Knights of Pythias have also still a good chance to figure as aspirants for the championship in the men's section.

The games last night resulted as follows:

Oddfellows, 6; Sons of Canada, 3.

Knights of Pythias, 7; Great War Veterans, 2.

St. Andrew's, 5; Sons of England, 4.

Knights of Columbus, 5; Moose, 4.

The league standing to date is as follows:

	W.	L.	Pts.
St. Andrew's	10	4	10
Elks	9	4	9
Moose	9	5	9
K. of P.	9	6	9
Oddfellows	8	7	8
K. of C.	8	7	8
Sons of Canada ..	6	9	6
L. O. L.	5	9	5

Sons of England .	4	11	4

ANYOX PLAYING BASKETBALL

Three Teams in Senior League Have Close Contest with End in Sight

ANYOX, Feb. 26.—The basketball season is drawing to a close here but, as a result of close play since the start of the competitions, there is still keen interest in the activities of the various leagues and championships for the year have as yet been by no means settled.

All three teams in the Senior League—Gophers, Mine and Elks—having been tied at the close of the first half of the season, the second half finds the Gophers and Elks now leading. The senior championship will be settled in a play-off between the winners of the first and second halves.

In the Intermediate League, the Concentrator and High School are battling for leadership, having drawn in the first half.

In the Ladies' League, the Mine girls are leading.

There has been a marked improvement in basketball play here since the appointment of Don McLeod as official league referee.

FRENCH GIRLS PLAN SWIM ENGLISH CHANNEL

Will be Accompanied by Madame Jane Sion Who Almost Got Across Last Year

PARIS, Feb. 26. — Suzanne Wurtz, former champion swimmer of France, is the latest woman candidate for the English Channel swim in 1926, which probably will be the banner year for the number of attempts ever made to cross the "fish bowl."

Mademoiselle Wurtz will start from Cape Gris-Nez and will have as a companion Madame Jane Sion, who came within a mile of the Dover Cliffs in 1925.

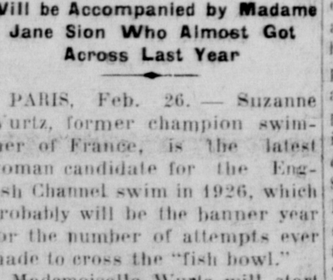
Mademoiselle Wurtz has won the "swim across Paris"—about fifteen kilometers down the Seine—three years in succession.

INTEREST INCREASING IN ENGLISH RACING

NEWMARKET, Feb. 26—Interest in horse racing in England has been increasing in leaps and bounds.

Statistics issued by the "Racing Calendar" show that during the last flat racing season 4,690 horses ran under Jockey Club rules, this being the greatest total on record. In 1827, only 1166 horses ran during the season.

The total value won in stakes in England last year was 715,295 pounds.



Wash That Itch Away

There is absolutely no sufferer from eczema who ever used this soothing wash, and did not feel immediately that wonderfully calm, cool sensation that comes when the itch is taken away. It penetrates the pores, gives instant relief from the most distressing skin diseases.

DIVIDE HONORS AT BASKETBALL

Port Simpson Team Visited Anyox this Week and Each Town Won One Game

The Port Simpson native basketball team went north to Anyox this week and played a series of two games, winning one and losing the other.

In the first game, Port Simpson defeated the Elks senior team, representing Anyox, by a score of 25 to 23, the superior passing of the natives being the main factor in their victory. After having been left rather far behind in the first half, the Anyox team pulled up in the second and was still on the scoring rampage when the final whistle blew giving Port Simpson the game by two points.

In the second game on Wednesday, the Gophers, another Senior team, retrieved honors for Anyox by defeating the visiting team by 15 to 13. The Port Simpson team was unable to break through the tall Gopher players.

Don McLeod refereed the game.

PRESENTATION MADE TO JIMMY MITCHELL LAST NIGHT ABOARD STEAMER

James R. Mitchell, vice-principal of the Anyox High School and coach of the school basketball team, was pleasantly surprised by his young charges aboard the steamer Prince Rupert last night as he was bringing them to this city for a series of games with the local High School. The boys presented Mr. Mitchell with a handsome sweater as a mark of appreciation for his endeavors with them. The presentation was made by Ted Swanson, captain of the team.

SPORT CHAT

The formation of a new professional hockey league on the prairies will in all probability mean the dissolution of the Western Hockey League as it now stands. Saskatoon, Calgary and Edmonton, which cities hold franchises in the present leagues, have not yet joined the new body but it is expected that they will. The chances are that next year will again see separate leagues on the prairies and on the Pacific Coast. Long travelling distances have proven the main handicap against the successful and profitable operation of the league comprising both prairie and coast teams.

Due to the fact that the majority of the players of the Prince Rupert Fish Co. were called back to work last night on account of extra fish handling at the plant of the Canadian Fish & Cold Storage Co., only one of the five games in the final second division billiard tournament between the Grotto and Prince Rupert Fish Co. was played. In this game, S. Darton defeated J. McLean by a score of 150 to 98. The remaining four games, it is expected, will be played this evening.

EXAMINATION FOR THE POSITION OF ASSISTANT FOREST RANGER.

Object.

These examinations are for the purpose of filling present vacancies and to make candidates to qualify for future vacancies and increases in staff.

Assistant Forest Rangers.

Assistant Forest Rangers are employed during the fire season of each year as this period is extended where possible to work on improvements such as trails, etc. Re-appointment is made each year as long as satisfactory service is given. Promotion to the permanent staff is made by merit and examination as occasion offers. The salary is $100 per month the first year and $110 per month the second year, and $120 the third year. Travelling expenses are also paid.

Qualifications for Candidates.

Candidates must be British subjects, residents in British Columbia for at least one year, of good character, good physical condition and with woods experience. They should have experience in fire fighting; possess the ability to organize work and handle men; and have knowledge of the Forest Act.

The examinations are partly written, partly oral and are designed to test the candidates' ability along the above lines. All statements made by applicants as to experience, education and fitness are subject to verification by the examining board.

Preference is given to returned soldiers with the necessary qualifications.

The Examination

The examinations will be held at the places and on the dates named below. Each intending candidate should apply to the District Forester of his district for application forms and for information regarding the hour of the examination and the building in which it will be held. Application forms should, in each case, be filled out and mailed to the District Forester in time to reach him at least six days before the examination.
