Was Nearly Crazy From Headaches

Miss K. Brill, 579 Redwood Ave., Winnipeg, Man., writes:—“I was troubled with such severe headaches that some times I was nearly crazy with them.

One day a friend told me about, and advised me to use

Burdock BLOOD BITTERS

so I tried it, and it has done me a world of good. I just took two and a half bottles, and I haven't had a headache for a long time, now.”

KETCHIKAN LOOKING DIRECTION OF RUPERT FOR REAL BALL GAME

KETCHIKAN, April 8.—Whenever the sun shines, as it has shined several days of late, the ball players get out and lumber up with a view to the opening of the season.

A league will be formed here and after the local boys have tried out their metal in local contests they will be looking across at Prince Rupert and hoping to find a real team there that will give them a hard tussle for victory.

Kenny McQuaig of P. Burns Co. Ltd. local staff has returned to the city after having spent a few weeks holidaying in Vancouver and on the Island.

LARGE PRIZES FOR BIG RACE

So Far 164 Horses Entered in Kentucky Derby But 20 May Face Barrier

LOUISVILLE, April 8.—Followers of the “sport of Kings” are buzzing as to which of the 164 three year olds entered, will capture America's premier event of turfdom—the Kentucky derby—to be run here May 15.

The entry list for the fifty-second renewal of the annual classic closed in February. Virtually every first class three year old horse in the country has been nominated, with all the great stables represented.

If twenty horses face the barrier, the race will be worth \$53,375 to the winner, in addition to a beautiful gold trophy. The second horse will net \$6,000, the third, \$3,000, and the fourth, \$1,000.

Many are wondering if Pompey, by Sun Briar, of the Shoshone stables who lead American horse winnings in 1925, with \$212,630, will capture the prized event. This son of Cleopatra last year captured the Futurity stakes at Belmont Park paying \$58,180, and the Hopeful stake at Saratoga, paying \$42,850.

Another, who was not far behind Pompey in winnings, J. E. Griffith's Canter, is highly favored. He won the leading race of the fall session at Churchill Downs, the Kentucky Club Jockey Stakes, netting \$23,315, and the Pimlico Futurity, paying \$53,359. His earnings for the year totalled \$413,948.

Other promising horses favored by many to capture the race are: Flight of Time, winner of the Breeders Futurity at Lexington, who cleared \$39,792 last year; Bubbling Over, winner of \$24,737 last year, and Nurni, who, as a three year old, won the \$30,000 New Orleans Handicap this year. Haste, Rhinocero, Chicago and Mars also are admitted to have a good chance.

COST OF EDUCATING UNIVERSITY STUDENTS

EDMONTON, April 8.—Based on the net amount voted by the legislature for the current year for the University of Alberta, the cost of educating the 1,354 students at the university, for 1924, was \$267 per head.

If to this is added the proportion of cost per student, of interest, debt, and sinking fund payments, the cost per student was \$432.

The above information is contained in a return tabled in the Alberta legislature by Hon. Percen Baker, at the request of Geo. Mills, Liberal, Athabasca.

The first method of arriving at per capita cost is that adopted all over the North American continent, states the return.

There were 24 professors, lecturers and similar full-time instructors at the university in 1925, and engaged in administrative and clerical work, 24 employees.

Of these 24 employees, seven received salaries of less than \$900 per year; seven were paid from \$2,000 to \$3,000; six from \$3,000 to \$4,000, and two, over \$4,000.

Salaries paid to other employees, including bookstore, printing, dining room, residence (from whose labor there is a profit), and from laborers, grounds-men, janitors, firemen, etc., totalled \$252,946.42 for the same year.

INDIANS ELECT SITKA MAYOR

A. R. Hanlon Gets Majority of 90 Result of Native Vote For Him

JUNEAU, April 8.—A. R. Hanlon was elected mayor of Sitka on a slate called “The Indian Ticket” by a majority of 90 over W. P. Mills, a leading merchant of the town.

Pete Allapo, a former Indian prize fighter and at present chief of police here, devoted the afternoon of polling day to hauling Indians to the polls.

The Indian vote, organized by the Indian lawyer, Paul, is becoming a powerful factor in the political life of the territory. Indians voted in numbers at the last territorial election and an effort to secure the passing of an illiteracy ban by the United States Congress which would prevent from voting those unable to read and write failed.

ANCHORAGE, Alaska, April 7.—C. M. Bekman was re-elected mayor here yesterday.
