HIGH SCHOOL AND BOOTH TIED AGAIN ON SATURDAY

High and Booth met in the regular League fixture on Saturday at Acropolis Hill and the result of an interesting match was a draw of 1-1:

Booth attacked and Bryant cleared. Kelsey shot past and then Dickens shot With the wind in their favor, Booth were pressing and Bryant kicked away. Then High took up the running and Irvine shot behind. Dickens got away and forced a corner. Booth half-backs were playing a strong game and High forwards did not get much freedom. Kelsey sent Dickens away and a fruitless corner resulted. High lost a great chance when Cameron missed his kick but Stalker lost the ball. Cross cleared Dickens' centre and W. Collison headed away . Cameron again missed his kick but Stalker handled and another good chance was lost. At the other end Dickens missed a good pass from Walter Cross and then Bryant distinguished hunting. We were gone fifty days and himself by throwing himself across the goal to stop a fine shot by Kelsey at the expense of a corner. Stalker and there." Hill got away but Fred Cameron sent them back. They returned to the attack but the ball went behind. W. Collison tried a long shot. Wingham shot over and then Scott fisted away. Kelsey was playing a good game for Booth and Bryant was forced to kick away. Half-time came with the score sheet

The wind was now in High's favor but Dickens was the first to shoot only to have his shot cleared by Bryant. With Kelsey, Dickens showed good combination but High defence was giving nothing away. Walters centred twice but soon Scott picked up from Irvine. In a scramble round the Booth goal Scott pushed the ball away and brought rehef. Booth forwards were combining well and Dickens was clever. Stalker stopped Kelsey and then Booth's gos had two escapes when in quick succession Walter Johnson and Irvine missed open goals. Then Joe Scott with a long shot beat his brother and High was a goal to the good. Booth was nettled and got into the game with intensity. In an attack Kelsey was injured but was able to resume though he was limping. Walter Cross forced a corner which was taken by Dickens and Thurber breasted through the equalizer for Booth. It was now anybody's game. Roy Morrison stopped Johnson. Fred Cameron, at forward for Booth, was through but got off-side. Alan Cross kicked a corner to save the situation and the closing minutes provided lots of excitement but no

HUNTERS ENTHUSE OVER GAME COUNTRY NORTH OF HAZELTON

Americans Full of Praise For Possibilities of the Area and for Guide Beirnes

William J. Bodwell of Sanford, Maine, and James Clemens, of Boston, who were en route south after a successful hunt of fifty days in the Groundhog country say they got their full legal bag of caribou, goat, moose and grizzley and this may explain why they are so emphatic in their praise of the hunting country north of Hazelton and of their outfit and guide.

One of the hunters said Geo. Beirnes as guide was wonderful. "I want to tell you, we don't want anything published of our trip unless George Beirnes given his full share of credit for our
