MISS GOLDMAN NO BOLSHEVIK

SOCIALIST LECTURER IS MAKING GOOD IMPRESSION IN CANADA

TORONTO, Dec. 13.—(By Canadian Press).—No hint of anarchy or Bolshevism flavored the remarks of Emma Goldman during her lecture on "Henrik Ibsen," given here recently. The militant revolutionist, who a few years ago was deported from the United States on account of her violent Socialistic tendencies, assumed the role of the distinguished lecturer, and sketched with skill and power the life and works of the great Norwegian author and playwright.

None could gainsay the courage and earnestness of Miss Goldman's appeal as an advocate of social reform. Although hampered by a slight foreign accent, Miss Goldman possesses a thorough knowledge of English.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, the security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing—

THE HON. THE MINISTER OF MINES
Victoria, British Columbia.

N.B.—Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C.. Reports covering each of the six Mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information.
