KING APPEALS FOR TIDINESS

Desecration of Parks and Other Public Property Deplored in England

LONDON, April 30.—In opening a new public breathing space at Ken Wood, near London, last summer the King appealed to the public who would use it not to desecrate what was after all their own property by throwing about litter and in other ways destroying much of the beauty of such places.

Some of the Press here has been noting the effect of this and of similar appeals, as shown in the spectacle which public spaces presented after the Easter holidaymaking. The Daily Mail comes to the conclusion that the public are taking to heart the King's appeal. The Daily Telegraph, however, finds that the hope for better things has been breathed in vain, although it acknowledges that the baskets provided for litter were full to overflowing. The Manchester Guardian also deplores the universal untidiness, but declares that in most other ways the behavior of the holiday crowds was better than ever before.

SEVEN DAYS FOR DRIVING CAR WHEN INTOXICATED

EDMONTON, April 30.—Smart punishment was meted out to Harland Hughes, hit-and-run taxi driver, in police court, when Magistrate Col. Primrose sentenced him to seven days in jail for driving a car while intoxicated.

Hughes admitted being the driver of a speeding automobile which smashed into the parked car of Charles Granger, 9332 103rd Avenue, when the latter was having lunch. Granger's car was badly damaged, the axle being bent, the wheels smashed, and a lamp broken. Hearing the crash the owner of the damaged car was able to reach the street in time to see the other machine speed away. He took the number and reported the matter to the police, who, on Hughes failing to report the accident, arrested him for that offence. On arrest he was found to be intoxicated.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

EFFORT TO SECURE REMISSION OF FINE OF AMELIUS JARVIS

Sir Joseph Flavelle Takes Hand in Matter and Presents Petition to Minister

OTTAWA, April 30.—A sensational sequel to the now famous Jarvis treasury bond case in Queen's Park has come to light with the visit to this city of Sir Joseph Flavelle. It is learned on good authority that Sir Joseph presented to Hon. Ernest Lapointe, minister of justice, a petition largely subscribed to by prominent financiers of Toronto and other parts of Ontario, asking for the remission by the federal government of the fine paid by Aemilius Jarvis, Sr. What action will be taken by the government has not yet been disclosed.

It will be recalled that Aemelius Jarvis Sr. was convicted in connection with the Ontario government treasury department bond scandals two or three three years ago and was sentenced to imprisonment at Portsmouth penitentiary and the payment of a large fine which he paid under protest, maintaining his innocence even since his release from prison.

In connection with the same case Hon. Peter Smith, then provincial treasurer, was sentenced to three years in the penitentiary and a fine which has not yet been paid.

Representations looking to Smith's release from prison were made to the federal government last fall.

SKIT ON TENDENCY OF MODERN GIRL

In presenting the prizes at the Francis Holland School for Girls recently the Dean of Westminster recited the following rhyme.

I can swing a six pound dumbbell,
I can fence and I can box,
I can walk across the heather,
And clamber over rocks.
I can make a score at cricket,
And play hockey all day long,
But I cannot help my mother,
I am not, really, very strong.

The Slight Cold Of To-day May Be Serious To-morrow

On the first appearance of a cough or cold, do not neglect it, but get rid of it at once before it has a chance to grow worse and becomes settled on the lungs, for once it does become deep-seated you are going to have a lot of trouble in getting rid of it.

Our advice to you is that on the first sign of a cough or cold you should procure a bottle of

Dr. Wood's Norway Pine Syrup

as by its timely use you may save yourself many years of suffering from some serious bronchial or lung troubles.

"Dr. Wood's" has been on the market for the past 37 years; so you are not experimenting with some new and untried remedy; put up only by The T. Milburn Co., Limited, Toronto, Ont.

MINERS' WAGES BRITAIN TODAY

In view of the fact that a strike is possible in the coal industry in Great Britain it will be of interest to know what wages are paid there. Part of the wages only have during the past year been paid by the operator, the state making up the difference. Since the government has refused to continue the subsidy the employers claim they cannot continue to pay the wages asked. Following is the scale:

MEDERIC MARTIN OF MONTREAL PROCEEDS PUT THINGS RIGHT

MONTREAL, April 30.—When Mayor Mederic Martin entered his office at the city hall to take possession for his term, he immediately started, to use his own words, "putting things to right." Before taking the oath, he entered the council chamber and ordered away the desk which was provided in front of the mayoral dais. "There is no table in front of the throne at Ottawa," was his reason. Then he stated that he would immediately order that a rug be placed on the black walnut mosaic floor in his own office, and that a rug be laid on the floor of the council chamber.

Drapings would also be provided on the walls of the chamber, and hangings would adorn the walls, to help acoustics, the mayor stated.

Blinds are to be provided for the windows to prevent the glare from the afternoon sun, also on the command of the mayor.

Noting that the inter-office telephone apparatus on his desk had the office names and department calls in English, the mayor commented that this must be changed, and asked that the names be placed in French.
