SHIPMENTS OF LUMBER FROM PORT CLEMENTS

Lillehorn Takes Lower Grade to Vancouver.—Airplane Spruce Next Week.

"We shipped our first cargo of rough lumber south to Vancouver from the Port Clements mill this week on the motorship Lillehorn," stated F. L. Buckley, owner of the plant, who went south yesterday afternoon on the Prince Charles. "From this time on we expect to make regular shipments. Everything is going on nicely there."

Mr. Buckley further stated that he would be making the first shipment of airplane spruce to Vancouver next week for shipment to the Canadian Vickers at Montreal. This is the very highest grade of Sitka Spruce and every piece in the shipment has to be carefully inspected.

SEES RATTLER ON DOORSTEP

Goodly Sized Rattlesnake Killed at Close Quarters in Penticton.

PENTICTON, July 30. — When she opened the front door, Miss Roselle James was startled to see a goodly sized rattlesnake peacefully sunning himself on the doorstep. Miss James fortunately had a hoe in her hands, and with admirable presence of mind and courage she killed the snake. It was later skinned and the skin treated. Miss James now has a souvenir of her adventure.

BARGE SINKS IN STEWART RIVER BUT ORE IS SAVED

While making the treacherous bend at the Devils Elbow, in the Stewart River, the steamer Canadian had the misfortune during its last trop down-stream of swamping its large barge McQuesten, laden with silver concentrates. The accident occurred during a high windstorm. By dint of the mighty efforts of the crew and the able bodied passengers on board the ore was salvaged and piled upon the bank pending the next trip of the ore boat to Stewart City. It will not be a difficult matter to salvage the barge as well as soon as the water in the Stewart goes down a little.—Dawson News.

DISABLED FISHING BOAT IS RESCUED

But for the timely arrival of the Consolidated Whaling Corporation's steamer Gray, which was en route to Victoria from Rose Harbor, the United States fishing boat Fairway and crew of five men might have been a total loss recently.

When crossing Hecate Strait the whaling ship sighted the fishing boat Fairway drifting helplessly and wallowing in the heavy seas that always run in Hecate Strait. Heaving to, the tender signalled to the vessel, and upon learning that she had broken her tailshaft put a line aboard, drew the nineteen-ton craft alongside, and transferring the crew proceeded to Victoria with the disabled fishing boat in tow.

PENTICTON, July 30. — The Pentowna, new Canadian National Railways boat which was fabricated at Prince Rupert and put together here, commenced her regular service this week between Kelowna and Penticton. On her maiden trip the reeve and council and a number of prominent citizens of Kelowna were aboard. The government wharf here is being rebuilt for the accommodation of the vessel.

COLONEL NICHOLLS RESIGNS POSITION ON BAND COMMITTEE

At the Rotary luncheon yesterday Colonel J. W. Nicholls resigned as chairman of the committee handling the work of the Boys' Band.

The band was organized under Rotary auspices just a year ago and has proved a great success. It is now fully equipped with instruments, has uniforms on order and the money in the bank to pay for them. Also there is $200 on hand to carry on the organization until the end of the year. The Colonel therefore asked to be relieved of his duties and that another be appointed in his place.

A vote of thanks was passed by the club to Col. Nicholls, moved by George Woodland and seconded by Dr. W. T. Kergin and included in the thanks was Alderman Joe Greer and Walter Vance, also members of the committee.

President C. H. Orme will appoint a new member of the committee to take the place of the Colonel.
