

the Life and Beauty of your Silk Stockings

THE silken sheen and cob-webby texture of silk hose were never meant to be endangered by washing with harsh soaps.

Cleanse your stockings frequently in the gentle but thorough suds made from a spoonful of Lux and a gallon of warm water. Your stockings will look better and wear longer.

Many years of popularity have encouraged imitations of Lux. You can identify Lux by the name of Lever Brothers Limited printed on the package. Lux is never sold in bulk.

No Wonder Orange-CRUSH is Universally Popular

First-the juice of luscious oranges-next, the delicate flavor of their peel - next, the zestful tang of the fruit acid found in oranges, lemons and limes. Added to this a pure food color, such as you use in your cakes and candies-pure cane sugarhealthful carbonated water.

For your own refreshment and pleasure be on the lookout for those Orange-CRUSH signs. They mark the dealer inside as a man worthy of your Good-will. Step in -- ask for Orange-Crush. Identify it by the name Orange-CRUSH blown right into the Krinkly Bottle. Then -drench your thirst in cool deliciousness.

Call up your nearest dealer and tell him to send you a case of Orange-CRUSH today.

Is Every Day Still CIRCUS DAY?

DEMEMBER the old-time circus? Remember the old-time circus drinks made from-goodness only knows what? Of course it was poor, inferior stuff. Of course you paid as much for these imitation drinks as you did for an advertised Quality drink. Injurious, expensive-yes-but, what matter for one day. One day! Is every day still circus day with you?

Generally dealers are honest. A few dealers are not. This is what sometimes happens: you see the Orange-CRUSH signs; when you enter and ask for Orange-CRUSH, the reply may be, "There is no Orange-CRUSH on ice, but here's something just as good". Of course you pay as much for the imitation, but the dealer does not. Why do a few unscrupulous dealers substitute? Because of the extra profit on

each bottle of an inferior drink they sell. The dealer who hands you Orange-CRUSH when you ask for it deserves your respect-is worthy of your patronage. Orange-CRUSH costs him more than drinks of inferior quality. Yet-that same dealer knows that Orange-CRUSH

is more profitable to handle because it brings him a larger volume of sales. Orange-CRUSH Lime-CRUSH Lemon-CRUSH
