Large Meeting of Citizens Ask Building of Road to Terrace; Committee to Wait on Minister

At a notable gathering of citizens in the city council chamber last night, presided over by Mayor Newton, a resolution was passed urging the immediate building of the Skeena River road connecting Prince Rupert and Terrace. The meeting was so large that there was not seating accommodation for all and they overflowed into the halls. No hostility to any person or party was shown but there was an evident desire to impress upon the authorities the need of the road and the determination to get it if possible.

been taken leading up to that meeting. He explained why the committee recently appointed had not been called together. As a matter of fact it was DR. H. R. GRANT only that day he had been told who was the delegation representing one of the organizations that had been asked to send delegates. The meeting would be a

guide to the committee in its work. Alder ... an Casey explained that the idea of the meeting had originated at the meeting of a committee of the city council on Friday night when it was learned that Hon. T. D. Pattulle was to be in the city. They decided it was promade arrangements to be elsewhere at that time.
