Interesting Letter and Editorial Note in Manitoba Free Press on Subject

Many local people will be interested in a letter published in the Manitoba Free Press of Winnipeg and an editorial note which is appended. It follows:

To the Editor,-I have just read with very great interest your calm and judicial leader in your issue of the 29th on the action of his excellency the governor-general at this present crisis. In fact, immunity dates from the period when the monarch went out of politics and became a constitutional sovereign.

Over Three Hundred Went to the Lake For the Day Yesterday.

A crowd of over three hundred persons attended the first annual picnic of the municipal employees which was held yesterday at Shawatlans Lake. The event took place at the upper end of the lake and was a great success, fully enjoyed by the large gathering. The first boat left Cow Bay at 9.15 in the morning, and by midnight everyone was safely home. The launches used were the Joy Bird, Dixie Rupert and 23.

The event was organized by City Engineer H. A. McLean who was assisted by various other members of the city staffs in carrying out arrangements. One of the features of the program of sports was a tug-of-war between the public works and water departments, the former winning after a pull which lasted about ten minutes. A tug-of-war between single and married ladies resulted in the former winning.

The winners in the various races were as follows:

Girls, 8 years and under-1st, Mickey Casey, 2nd Margaret Johnson.

Giris, 10 years and under-1st Mary Casey, 2nd Evelyn Dalgarno. Boys, 10 years and under-1st'
