Keeping Prince Rupert To Fore.

DAILY EDITION

Prince Rupert is being kept to the fore in various ways. A few days ago Fred Stork discussed this city and district for half an hour or more in the House of Commons and gave the members there something to think about. He was a government supporter and his address was strong for the government side. but he did not forget to mention this city and that with emphasis.

Prince Rupert is also being kept strongly to the force through the Wheat Pool which recently leased the elevator and which will ship grain this way in large quantities during the Ar. Recovery Always Slow From Strike.

Recovery from a strike or any blow which stops the wheels of trade is always slow. It is comparatively easy to stop things Lv. Massett. Inlet ports p.m. but more difficult to get them going again. Once the cog slips it is liable to do permanent damage. That is the trouble. While Ar. Prince Rupert 10.30 a.m. British people were quarrelling among themselves, other countries were using the occasion to get business away from them. So it always is. There is always permanent loss from industrial disputes, loss that can never again be made up.

"Some statistics have been prepared on the strength of Lv. Jedway a.m. alternate Mon-Canadian-juvenile court records, which show that very few cases arise from homes where there is strict parental super- Lv. vision and regular attendance at school is insisted upon. The conclusion is drawn that, if the wave of juvenile crime is to be Lv. checked, it can only be done by the strengthening of the right kind of family influences. As one editor, in commenting on the Lv. report, puts it, we shall have to pay a heavy price if we insist! on taking down the old motto, that used to be worked in colored Lv. yarn, 'God Bless Our Home,' and on replacing it with the modernism 'Let's Go.' In soups, baked dishes, creamed vegetables, sauces, cakes, Carnation gives real cream-and-butter flavor. No need for expensive cream for desserts or coffee because Carnation has full, rich cream consistency and flavor.

Carnation is just pure, fresh milk, evaporated to double richness, kept safe by sterilization. Economical because it keeps. Order several cans or a case of 48 cans from your grocer.
