BENEFIT GAME WELL ATTENDED

Paddy O'Donnell's Team Defeated Sam Currie's by Score of 3 to 2

Good weather prevailing, there was a large crowd at the Acropolis Hill grounds last night to witness the Tom Jones benefit football game which resulted in victory for "A" team, captained by Paddy O'Donnell, by a score of 3 to 2 over "B" team of which Sam Currie was the skipper. On the whole, it was a good contest although there were ragged as well as bright spots. The Boys' Band was present at the match and enlivened the proceedings with its ever improving music.

Scorers of the evening were:

"A" Team—Sam Erskine, 2; J. Johnson, 1.

"B" Team — Tinker, 1; Walters, 1.

G. S. Russell refereed, A. Clapperton and J. N. Kelly were linesmen and the teams took the field as follows:

"A" Team — A. Murray, goal; G. Howe, Jas. Harris, backs; A. E. Dickens, Pat O'Donnell (captain), G. Pearson, halves; A. McDonald, J. Johnson, S. Erskins, S. Currie (captain), Geo. Mitchell, halves; F. Walters, F. Hodgkinson, G. P. Tinker, W. Mitchell, C. J. Norrington.

Gillis Royer has returned to the city after having attended the northwest convention of the Moose Lodge in Vancouver. The big meeting was a great success with 8,000 of the 35,000 members in the district present. The next convention will be held in Olympia.

PARENT-TEACHERS OF TERRACE HOLD FINAL MEETING OF SEASON

Sum of Over Seventeen Dollars Raised for Piano Fund by Auction Sale

TERRACE, June 12.—The regular monthly meeting of the Parent-Teacher Association was held in the school house on Thursday evening. Routine business was disposed of and it was decided to issue an invitation to the teachers of Comox and Omineca to hold their district Convention in Terrace this fall.

An auction sale of donated articles then took place under the hammer of Wm. Vanderlip, resulting in somewhat over $17 to be added to the piano fund.

Conditions in Malay

Following this Rev. W. F. Barfoot gave a very interesting talk on conditions in the Malay Peninsula where he spent two years in the mission fields. He referred to the population, industries, educational system, etc. specially stressing the desirability and necessity of a higher ideal in the education the eastern races received from the west if we are to look forward to an improvement in world affairs. History showed that only the ideals of nations at one time powerful, but now of little importance in world affairs, were remembered and were still influencing the more powerful nations of the present day.

A social half hour was then spent and refreshments served.

Annual Meeting

The next meeting will be the annual meeting of the Association and will be held in the school house the second Thursday in September.

Mrs. R. H. Carson and child of Premier Mine are in the city on board the Prince Rupert today returning north after a trip to Winnipeg. They were met here by Dr. Carson.

Mr. and Mrs. W. Goodrick returned to the city on the Prince Rupert this morning after a holiday visit to Vancouver and Victoria.

CURIOUS ANSWERS BY SCHOOL PUPILS

Is it any wonder that school teachers look worried. Here are a few answers pupils have given to their questions:

Question — "What are glaciers?"

Answer—"Guys who fix windows when they get broken."

Q.—"What is a peninsula?"

Ans.—"A bird that lives on icebergs."

Q.—"What is a volcano?"

Ans. — "A mountain with a hole in the top. If you look down you can see the creator smoking."

Q.—"Why does a dog hang out his tongue when running?"

Ans.—"To balance its tail."

Q.—"What is steel wool?"

Ans.—"The fleece of a hydraulic ram."

JELLYFISH RUIN BAY IN FRENCH RIVIERA

NICE, June 12. — All is not roses and sweet-scented scenery in the neighborhoor of the French Riviera.

The little fishing village of Cros-de-Cagnes, just outside Nice, soon will be uninhabitable unless some means is found of destroying the millions of jelly fish which have appeared in the bay. Huge piles of dead fish are nightly thrown up on the beach and the authorities recently were unable to clean them away before they commenced to rot. Attempts to burn the fish had been unsuccessful.
