President Prince Rupert Swimming Club.

I wish to offer a prize of \$10 for the boy or girl who, beginning to learn to swim after May 15 is in the opinion of your committee, the best swimmer at the end of the season, September 15.

I think that every boy and girl should learn to swim and it occurs to me that the offering of a prize might create some little interest.

Faithfully yours,  
T. D. PATTULLO.
