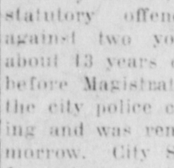
The Slight Cold Of To-day May Be Serious To-morrow

On the first appearance of a cough or cold, do not neglect it, but get rid of it at once before it has a chance to grow worse and becomes settled on the lungs, for once it does become deep-seated you are going to have a lot of trouble in getting rid of it.

Our advice to you is that on the first sign of a cough or cold you should procure a bottle of



Dr. Wood's Norway Pine Syrup

as by its timely use you may save yourself many years of suffering from some serious bronchial or lung troubles.

"Dr. Wood's" has been on the market for the past 37 years; so you are not experimenting with some new and untried remedy; put up only by The T. Milburn Co., Limited, Toronto, Ont.

AS soon as your skin gets rough and chapped or gives you twinges of pain as a result of the cold, apply that ever-ready soothing healer, Zam-Buk. It

Soothes Pain

in a gratifying manner. This rare herbal balm, by its penetrating healing action, will quickly rescue you from chaps, chilblains, and all inflammatory pain produced by the weather.

There is nothing like Zam-Buk for healing raw bleeding cracks in the skin, and ending the torture of Winter skin ailments.

Hands, arms, and feet, or any part exposed to the weather should all be rubbed over daily with Zam-Buk both as a preventive or as a corrective.

Grows New Skin

Miss Bozina Strojsa, of East Hansford, N.S. writes:—"I suffered terribly with chapped hands. They became cracked and bleeding, and the pain was so intense that I could not put my hands in water. As soon as I commenced using Zam-Buk the pain and smarting sensation began to disappear, and I continued until my hands were completely healed with new skin."

Get a box of Zam-Buk from your dealer to-day! 50c. the box. 3 for $1.25. Zam-Buk Medicinal Soap, 25c cake.

GOOD FEELING AMONG MEMBERS AT OTTAWA CAMARADERIE SHOWN

(Edmonton Journal)

On reading the news from Ottawa one is apt to picture political opponents there as always glaring at one another when they happen to be together and on no account passing a friendly word. But we are assured by Mr. J. S. Woodsworth, M.P., in a letter which he sends to the current issue of the Alberta Labor News, that this is a mistaken impression. As the session advances, he says, and the members become better acquainted, there develops more or less of a community feeling such as one finds in many clubs. On coming back for his second term, he finds a very friendly feeling among the older members quite irrespective of party affiliations. They may fight bitterly on the political hustings, but, according to Mr. Woodsworth, they can hardly live in close association for some years without developing a spirit of camaraderie.
