# EDMONTON APPROVES TOURIST PAMPHLETS

Will Make Effort to get Jasper Tourists to Stop off in that City

EDMONTON, Feb. 9.—Approval of the proposal from the board of trade that the city make a grant to meet the cost of printing tourist pamphlets to give publicity to Edmonton was given by the civic finance committee, on the motion of Mayor Blatchford.

Secretary John Blue of the board of trade appeared before the committee and pointed out that the need of such publicity was shown in the letter that had been sent to council and referred to the committee.

Last year, so it was claimed, some 45,000 tourists had been taken through to Jasper by the C.N.R. and probably no more than 250 had stopped off at Edmonton. It is understood that the railway plans on taking 25,000 tourists here this season so it was felt that something should be done to get these tourists to make stopovers at Edmonton. If suitable pamphlets describing the city's attractions could be printed, these could be widely distributed in Canada and the United States at no cost to the city.

A Philadelphia man called up a bird store the other day and said:

"Send me 30,000 cockroaches at once."

"What in heaven's name do you want with 30,000 cockroaches?"

"Well," replied the household-er, "I am moving today and my lease says I must leave the premises here in exactly the same condition in which I found them."

The old lady came out of a half-dozen as the train approached a station.

"Where are we, Bobby?" she asked.

"I don't know, grandma."

"But didn't the conductor call out something just now?"

"No, Grandma; he just stuck his head inside the door and sneezed."

"Bobby!" she exclaimed, "quick! Help me with these things! This is Oshkosh!"
