WONDERFUL LIFE OF POTATO BUGS IS TOLD IN BULLETIN

Dig Themselves in Early In Autumn and Remain Until Next Spring

Nearly everyone who was born in eastern Canada has picked Vanguard, 23 jewels \$58.00 potato bugs. On the prairies they Crescent, 21 jewels.. \$50.00 also are plentiful and are usually Riverside, 19 jewels \$45.00 destroyed by sprinkling the P. S. Bartlett, 17 jewels potato tops with Paris Green \$24.00 The department of agriculture Regular, 17 jewels, \$22.75 has just written a bulletin about 7 jewels \$11.50 ered that the Colorado beetle, as This is the regular men's it is properly known, is a most size. If interested we are persistent insect. It starts to glad to show you other sizes hibernate in August, September for early October, and furns up ready for business in the spring. In Ottawa, as told by the Entomological branch in Bulletin 52 of the Dominion Departmen' of Agriculture on "The Colorade Potato Beetle in Canada," tests have been made as to length of life of the creature and under what circumstances it will retain

neetles in New Brunswick several lots were forced into hiberation at an early date by confining them in wire cages on they soil with only enough food for one day. All had burrowed within three days after the food had gone. From three lois put in! As a mouth wash and the cages August 30 and September 5, 205 beetles out of 600 emerged the following spring. Out of 200 put in September 10 12 emerged and out of 3,320 put in the cages on September 13 and later only 360 emerged in the spring. This would seem to in dicate as the bulletin says, that the skin, remove freckles, the carlier the pests hibernatel in the autumn the better they

Quality That Endures

HIE fruits of twenty-one years of experience in building motor cars are evident in the world-

wide public acceptance of Ford quality as an enduring character-1st1c.

Enduring quality has enabled the public to buy these products just as it buys other products of established reputation—with the assurance of receiving good value and lasting satisfaction.

Only enduring quality could instill such confidence in the public mind. More than twelve million owners testify that this confidence is well founded.
