# BADMINTON IS POPULAR EAST

**Ottawa Newspaper Has Editorial Comment on Game That Has Invaded City**

Ottawa is apparently one of the cities that has adopted badminton as one of its most popular games. In editorial comment the Citizen of that city says:

The winning for the second time of the men's singles championship by W. M. Stewart of Ottawa and the excellent showing made by other local players in the Ontario badminton championship games at Toronto last week end are striking proof of the quality of game played here and of the increasing hold which badminton takes upon its devotees in the capital. Mr. Stewart and those other players who fought so valiantly at Toronto are entitled to the greatest credit for their splendid play.

**Great Winter Game**

Badminton has made great strides as a winter game in Canada and especially Ottawa during recent years. The Ottawa Garrison Club has ben active for a number of years, but it was not until comparatively recently that the game became so popular. Other clubs have sprung up, and the prospects are for still greater expansion in this district. The success attending the visit of the British badminton players to Ottawa also afforded further proof of the growing interest being manifested in the game.

**Fast and Strenuous**

Several reasons exist why badminton has gained in popularity. One was the discovery that it was a fast, strenuous and spectacular game, and not a pastime for those in need of mild exercise. Another is the fact that it forms an ideal winter game for those who play tennis in summer and need to keep in playing trim. Many young players are taking up badminton, and it is true to say that as soon as additional courts can be secured, the game will expand proportionately. The exhibition of prowess by the Ottawa players in the Ontario games will give additional stimulus to this admirable indoor winter sport.

# SPORT CHAT

With the Moose meeting the Knights of Columbus and St. Andrew's playing with the Sons of England, league leadership will again be at stake in the men's section of the Fraternal Whist League tonight. Both teams winning or losing, they will still share first place; losing they will go to second place behind the Elks, and, if one wins and the other loses, the successful one will be in first place exclusively. The Elks, who are at present tied with the Vets and Scots in first place, are not scheduled to play tonight. Other games of the evening will be: Oddfellows vs. Sons of Canada; Knights of Pythias vs. Great War Veterans.

Alice Arm hockey players have just about given up hope of playing any hockey this year on their rink. It looked promising toward the end of last week but along came a rainstorm and dashed the hopes. Some skating had been available the first of the week. During the week, an Alice Arm party made a trip to Lost Lake, a sheet of water that lies about three miles from town and which had never been skated on before. Good luck crowned the efforts of those who made the trip for ice was found over four inches in thickness and as smooth as glass, the sheet measuring over 1000 feet in length and 800 feet in width.

The final game of the second division billiard league this evening between the Grotto and Prince Rupert Fish Co. will have no effect on the standing of the teams in the league, the championship of which has already been won by the Prince Rupert Billiard Parlor. The teams will line up as follows:

J. Hillman (Grotto) vs. W. Bailey (Prince Rupert Fish Co.).
J. Beesley vs. J. Krause.
Bert Morgan vs. H. Corbett.
G. Howe vs. A. Carlson.
J. McLean vs. S. Darton.

Final figures compiled in connection with the first division billiard league season which has just closed show that the highest break of the entire competition, 60, was made by Col. S. P. McMordie, first man on the Great War Veterans' team. Other high breaks recorded are: Col. McMordie, 52 and 33; Sgt. Jebson, 48, 39 and 38; Fred Pyle, 33; George McIlmoyle, 48, 30 and 29; George Waugh, 39, 38 and 37; W. Long, 37. George Waugh, of the Billiard Parlor, with 243, held the highest average of the season's regular players, namely those who participated in more than half of the eight tournaments that were played. He played in seven tournaments. Fred Byle, who played in all eight tournaments, had the highest average for the Veterans' team, 239. M. Andrews of the Billiard Parlor had a perfect average of 250 but he played only in two tournaments. R. Howe had an average of 246 and W. Stickney an average of 245 but they played in only two and three tournaments respectively.

# ALL STAR BILLIARD PLAYERS WON OVER BILLIARD PARLOR

The Prince Rupert Billiard Parlor second division billiard team played a tournament last night with an all star team from the rest of the league, the latter aggregation winning by 924 to 790.

The individual scores were:

W. Long (All Stars), 200; R. Howe (Billiard Parlor), 108.

J. Andrews, 140; W. Stickney, 200.

W. J. Nelson, 184; Frank Zieman, 200.

J. Hillman, 200; M. Andrews, 100.

H. Corbett, 200; D. McAuley, 182.

The losers will be hosts to the winners at a luncheon tomorrow in the Prince Rupert Hotel.

# TAUGHT CHINESE TO EAT ICE CREAM

**Delicacy is Enjoyed by Orientals and Demand is Increasing on Other Side**

VICTORIA, Feb. 23. — The Chinese are adopting the ice-cream habit. The product is being shipped from this continent to China already frozen and the demand is steadily increasing. Once the millions of Chinamen get to like the product, it is impossible to say what the result will be. A large business should be done with the Orient from British Columbia in providing this delicacy for the yellow men.

P. S. Crawley of Seattle, who has just returned from a visit to China, claims to be the man who taught the Chinese to eat ice cream.

# WORLD GOING PLEASURE MAD

**This is Morte Craig's Impression Following Trip East—Visited Various Cities**

That the world seems to be going pleasure-mad was an impression gained by Morte B. Craig, local florist and artist, who returned home yesterday afternoon after a trip which included several of the more important cities in the West and Middle West of the United States. The theatres in all these cities seem to be doing a rushing business and the ticket boxes are continually lined up with those seeking admission. Everybody sems to be on the quest for recreation. From a business standpoint there also seems to be a great deal of activity in the large cities. One has to crush one's way through the crowds of shoppers into the big department stores.

Mr. Craig went East particularly to participate in a final family reunion at his former home in St. Joseph, Missouri, prior to the old family house being sold following the death of Mr. Craig's father. He spent eleven days there and the time went "like a dream." Mr. Craig also spent five days in Denver, where he lived before he went to the Yukon; seven days in Seattle, and eight days in Victoria visiting with his daughter, Mrs. D. D. McTavish.

In the interior of the United States the usual cold weather is being experienced. At Winnipeg, while going East, Mr. Craig spent a few hours and there the cold seemed to be intense.

Mr. Craig was 42 days on his trip. He has made up his mind that he is not going on any more such journeys until he has more time to spend in order to see the various cities properly and have better opportunity of renewing old acquaintances.

## VANDERHOOF

A party consisting of George W. Offerson, Mr. and Mrs. Eugene Drury, F. W. Valleau, Frank Freidle, Edwin Wright, Joe Klimmer, G. W. Allan, Joseph Milligan and David Purvis is outfitting here this week for an extensive trip into the Manson Creek goldfields. The party will take thirty tons of machinery and a full crew with them. It is the largest amount of machinery that has ever been taken into Manson Creek.

The Vanderhoof Board of Trade has reduced its yearly dues from $10 to $6.

Miss Emmie Violet Day was elected queen of the winter carnival here last week and Miss Marjorie F. Peterson and Miss Ena Pearl Campbell were chosen as her maids of honor.

Mrs. A. A. Hutchinson, greatly improved in health, has returned here from a trip to Manitoba. She was accompanied by her brother, Mr. Mayer, who will remain here a month or so.

## STEWART

Mrs. Ernest Love has returned to Stewart after having spent several weeks visiting in Vancouver.

William Hobill, who has been on a business trip south, returned to Stewart on the Camosun yesterday morning.

A number of Indians appeared in court before Magistrate Scarlett last week and were fined for fighting in the neighborhood of Bitter Creek.

A dog contest is being held here this week, the proceeds being for the benefit of the Stewart General Hospital.

# SKELETONS IN CLOSET

**Remains of Twenty People Found in Crypt Beneath Great Altar of Convent**

HAVANA, Feb. 25. — Twenty skeletons have been discovered in a crypt below the site of the great altar in the old Santa Clara convent. They were brought to light by the employees of the Public Works Department. The old convent was sold to the Government several days ago. The crypt is believed to have been closed for at least 200 years. There was no clothing among the bones. The secretary of sanitation has ordered the bones removed to Colon cemetery for burial.

**EXAMINATION FOR THE POSITION OF ASSISTANT FOREST RANGER.**

**Object.**

These examinations are for the purpose of filling present vacancies and to make candidates to qualify for future vacancies and increases in staff.

**Assistant Forest Rangers.**

Assistant Forest Rangers are employed during the fire season of each year. In this period is extended where possible to work on improvements such as trails, etc. Re-appointment is made each year as long as satisfactory service is given. Promotion to the permanent staff is made by merit and examination as occasion offers. The salary is $100 per month the first year and $110 per month the second year, and $120 the third year. Travelling expenses are also paid.

**Qualifications for Candidates.**

Candidates must be British subjects, residents in British Columbia for at least one year, of good character, good physical condition and with woods experience. They should have experience in fighting; possess the ability to organize work and handle men; and have knowledge of the Forest Act.

The examinations are partly written, partly oral and are designed to test the candidates' ability along the above lines. All statements made by applicants as to experience, education and fitness are subject to verification by the examining board.

**Preference is given to returned soldiers with the necessary qualifications.**

**The Examination**

The examinations will be held at the places and on the dates named below. Each intending candidate should apply to the District Forester of his district for application forms and for information regarding the hour of the examination and the building in which it will be held. Application forms should, in each case, be filled out and mailed to the District Forester in time to reach him at least six days before the examination.
