You can't get a baseball man to admit that the game has improved since he was playing it 25 or 30 years ago, but it has. That is, the general level of play is better because there are more skilled players. We do not believe, to be specific, that the two clubs which met in the world series 25 years ago had as fine a fielder at each position as the Dodgers and Yankees had in their recent duel.

In golf, we feel that Ben Hogan at his best was a little better golfer than either Walter Hagen or Bobby Jones was because he worked at it harder, and in tennis we are quite certain that Frank Sedgman's allaround modern game would have beaten Bill Tilden and the

While the league secretary is away on vacation, other league officials have been unable to decipher some of the fancy markings on sheets handed in after the matches.

Team captains are urged to take more care from here in to complete forms correctly before leaving the alley.

But, a quick check of results shows that George Goodwin of Orphans has set a new season mark for a single game with 376. Jerry's Barber Shop also hit a neat 3,375 in their three games against the Daily News, which was soundly trounced in three games.

Rusty Ford led Jerry's with three-game total of 677 and Bob Anderson was close behind with 625. There were no stars on the newspaper team.

The ten-pinners found the mark a little easier this week and more improved scores were posted in both the men's league and the mixed division.

Cooks Jewelers continued their unbeaten record in the men's league, taking four points from Albert & McCafery and Commercial Hotel squeezed three points from Royal Hotel.

Both team highs went to Cooks as they rolled 877 for team games. Individual honors went to games. Individual honrs went to Ernie Lugrin with 205 and Bill Anderson, with 535, captured high three.

### Canadian Gas to U.S.

SPOKANE (CP)-Top officials of the Federal Power Commission were quoted Monday as predicting that Canadian natural gas may be piped into the Spokane area by mid 1955, The Spokesman Review reported on Tuesday in a special dispatch from Washington.

FPC officials were reported to have indicated that first deliveries of gas will be sooner than was thought, possibly by mid 1955.
