-from the most delicious of hot breakfasts

For energy that "stands by", start the day with Quaker Oats.

Authorities agree that oats is the greatest food that grows-contains more protein than any other cereal; is rich in carbohydrates and well supplied with minerals and health-promoting vitamines.

"Quaker Oats and Milk for Breakfast" has become the habit of millions of people in all parts of the world. Their sparkling eyes and ruddy cheeks are its best endorsement.

Regular Quaker Oats, and Quick Quaker-the only quick-cooking oats with the rare Quaker flavour.

Grocers have both kinds. In sealed cartons only.
