The British people are numerically but a few of the people of the British Empire: this race idea explains nothing and holds out no hope of anything Not upon the British race, but upon the principle of freedom is the British Empire founded. Has freedom, then, passed under British copyright? No; the Jew, the	tion within the empire will be a lead- ing economic issue. The progress of empire settlement has been admittedly disappointing And, looking to its improvement, two proposals will probably be made at the conference. 1—That the dominions should modify their restrictions on immigrants. 2—That the dominions should share with the British government the cost	Hot Dogs-George Tite (chairman), Roy McNaughton.
