We don't know all about Eyes

Nobody does. New discoveries are being made all the time. During the past year we have spent a lot of time, money and study on the higher branches of optical work.

BRINGING UP FATHER

TERRACE MAN DIES ESSONDALE HOSPITAL

Walter Bell Was Well Known In Interior as Miner and Worker at Mill

TERRACE, March 27. — Dan Mason of Copper City received word on Thursday of the death at Essondale, B.C., on March 2 of his partner, Walter Bell, a well known and very popular old-timer of this district. The children of the town for whom he showed a great fondness, will regret to hear of his death quite as much as his many older friends.

The late Mr. Bell was born in the St. Clair Lake district, Ont., about fifty-eight years ago, but came to Northern B.C. about 1909 and since that time has spent his summers prospecting on Thornhill Mountain, where he owned several mining claims. His winters were usually spent in Terrace where he drove a team at Little's mill.

On returning from the hills a year ago last fall he was found to have become mentally unbalanced and was taken to Essondale Infirmary in which institution he died.

TELKWA

People are getting their gardens into shape. But, on account of the cold frosty nights, there is not much growth yet.

Mr. C. Slater and his two little girls left on the delayed train on Thursday for Hanna, Alberta, where he intends to settle.

Sid Elmer of the Eldora cigar firm spent Wednesday and Thursday in Telkwa, leaving for points east on the delayed train.

Mrs. Thos. McDonald spent several days during the week visiting her daughters, Mrs. Chapman and Mrs. Goodacre in Smithers.

A good deal of interest is being evinced in an effort to organize a local Sons of Canada lodge.

The Women's Auxiliary to the nursing home has a dance billed for Easter Monday. These monthly dances are proving very popular. They are for such a good cause.

For the purpose of raising money with which to purchase new books, the committee in charge of the local library held a card party on Wednesday night.

A third family under the supervision of the S.S.B. arrived this week and have taken over the Daly place.

After settling up his affairs in the district, Venard Conn left on Thursday for Senlac, Saskatchewan, where he intends to look around before deciding to settle definitely.

It is possible that the return basketball games between Smithers and the Round Lake and Woodmere teams will not take place until after Easter.

R. Parker who has been on the Farrow ranch at Timothy Hill disposed of his effects on Tuesday last and is leaving shortly for the prairie which climate he finds better for his health.

While driving in from holding service at the Woodmere school house on Sunday last, Rev. Mr. Gibson had occasion to do some quick work in clearing the road of fallen trees which had come down during a short but terrific wind storm.

The younger element in town is very busy fishing. Several nice specimens of trout have been landed lately.

TERRACE NOTES

O. P. Brown of the Northern Development and Mining Co. operating on Thornhill mountain, arrived in town on Tuesday night and left for Prince Rupert on Wednesday morning's train.

T. D. Boneding and M. S. (Duke) Harris, mining men of New Hazelton, arrived in town on Wednesday morning and left later for Vanarsdol.

The members of the Anglican Church are making preparations for one of their public socials to be held in Progress Hall on Tuesday evening, April 6.

W. S. Anderson of Terrace who has been repairing government machinery in Smithers arrived home on Wednesday morning.

Mrs. J. McDougall, at one time interested in the Tourist Hotel here, returned to Terrace on Thursday on the delayed train.

C. A. Smith, Kalum Lake mining man, was in town on Thursday.

W. Jones, Vancouver, was a business visitor to Terrace on Thursday.

Jas. Burns of Amsbury spent several days in town during the week, returning home Friday morning.

Dan Mason returned on Thursday from a trip to Ketchikan.

Archie Carmichael of Copper City was in town on Tuesday and left on Wednesday morning for Prince Rupert.

SUFFERED TEN YEARS FROM RHEUMATISM

—THEN PERFECT HEALTH AGAIN THANKS TO "FRUIT-A-TIVES"

MR. ELIE J. MOINEAU

"I have suffered from rheumatism for 10 years and have tried many so-called remedies, and several doctors have treated me with no success.

Fortunately, I was recommended to try "Fruit-a-tives" by a person interested in me, and after taking four boxes was greatly helped, and finally completely relieved, and am never without "Fruit-a-tives." — Elie J. Moineau, 2052 Park Avenue, Montreal, Que.

"Fruit-a-tives" drive Rheumatism out of the system because this famous fruit medicine frees the system of the poisons which cause the pain and inflammation.

"Fruit-a-tives" is a natural medicine, made from intensified juices of apples, oranges, figs and prunes combined with tonics. 25c. and 50c., at all dealers.

CUP DEFENDED SUCCESSFULLY BY REGIMENT

High School Made Good Showing in Effort to Wrest Trophy from Present Holders

The Prince Rupert High School cadets made a good showing in their efforts last night to wrest the Heilbroner cup from the present holders, the First Northern B.C. Regiment, who successfully defended it last night against two teams, one from the High School and the other from the Royal Canadian Naval Volunteer Reserve.

The best score of the evening was made by W. Brass of the Regiment, winner of a spoon while George Bell of the Naval Volunteers, led the challengers in individual score with 93 out of a possible 100. The totals were as follows:

First B.C. Regiment	544
High School	407
Naval Volunteer Reserve	357

The cup is a perpetual challenge trophy donated last year by Max. Heilbroner for the best team competing at the miniature ranges and was won at the first shoot by the Regiment which still retains it for another year as a result of last night's competition. The individual scores follow:

First B.C. Regiment

W. Brass	96
M. M. Lamb	95
H. Floyd	94
R. Davidson	92
C. V. Evitt	77

High School

SPORT CHAT

Leading whist players of Canada and the United States will assemble in Toronto April 1-3 to compete for various championships and prizes at the 28th annual congress of the Canadian Whist League.

Prominent players from New York, Cleveland, Detroit, Springfield, Ill., and other whist centres across the border will meet a large number of Canadian exponents of the game. London, Hamilton, Woodstock, Ont., Brantford and other centres are sending representatives and as the Toronto group promises to be well above the average, Secretary B. M. Woodward and the members of the executive are confidently expecting a very successful meeting.

The piece de resistance of the congress will be the tussle on Friday for the possession of the Goodall Challenge Trophy which carries with it the fours Championship of Canada, now in the possession of the four representing London last year— Messrs. John Connor, W. J. Ashplant, D. A. McDonald, and F. G. Fletcher. These four had quite a surprising win and are endeavoring to repeat on this occasion. The runners-up in this event will be rewarded with the Amsden Trophy and in each case commemoration gold medals will be given.

The season of the Prince Rupert Fraternal Whist League, which has proved exceptionally interesting this year, will come to a close, so far as the playing of games is concerned, when the St. Andrew's Society, champions of the men's section, and the Daughters of England, lady champions, will play-off in St. Andrew's Hall next Wednesday evening for the city championship honors. The winning team will capture the Dybhavn Cup and the losing aggregation, the Newton Cup.
