ANNUAL REPORT OF FIRE CHIEF

Loss During the Year was $229,920.35 With Insurance Covering all but $25.

Fire loss in the city during the year 1925 totalled $229,920.35 on which $229,895.35 in insurance was allowed, leaving an actual loss of $25, according to the annual report of D. H. McDonald, fire chief, which was submitted to the city council last night.

The report stated that there had been 61 alarms during the year—54 telephone calls, 5 box alarms, one test alarm and one still alarm. The main causes of fires were chimneys, 17, and grass fires, eleven.

During the year, the report stated, 10,000 feet of hose was laid, 300 feet of chemical hose and 300 feet of ladder had been used.

The property involved in the year's fires totalled $850,000 in value.

There was no great loss except in the case of the sawmill fire.

During the year the department made 300 inspections.

Owing to the frame construction which was general in the city, the chief pointed out the necessity of keeping the department and its equipment at the maximum of efficiency.

Recommendations Made

In the interests of better fire protection in the city, the report recommended the following improvements:

A six inch main along Fourth Avenue East to Green Street, with hydrants in each block, up Green Street to Fifth Avenue and along Fifth Avenue to Hays Cove Circle with hydrants in each block.

An eight inch main from McBride Street along Third Avenue to Block 16 below the Pioneer Laundry.

An eight inch main from First Street to Third Street along Second Ave. with two hydrants

Expense of Department

The expenditure of the department for the year, the report set out, had been $15,347.83 including salaries amounting to $12,910.

"In conclusion," the report said, "I wish to convey my thanks to the mayor and aldermen for their co-operation and assistance. I also appreciate the faithful attention to duty and the successful work of the members of this department throughout the year. I also wish to thank the different departments of the city for assistance rendered and the public and press for their courtesy."

SKIDEGATE

Captain Sam Larson has overhauled his trolling boat and will leave for Prince Rupert as soon as the weather permits.

Captain Hann's launch, the Beatrice H., is starting out with the second raft of lumber for the Tlell River bridge. There is 30,000 feet in the raft.

Captain Jack Simpson and Barney Munroe have taken over the Sea View bungalow at Skidegate and will make their home there until spring.

Rev. J. Gillett, sky pilot and skipper of the mission boat Western Hope, has been putting on picture shows for the settlers and others in this neighborhood and holding services at suitable points. His visits are much appreciated and usually his picture shows are crowded.

Ald. Brown asked the Board of Works at last night's council if something could not be done to improve the condition of Second and Third Avenues between Eighth Street and the junction and Second Avenue from the junction to Morse Creek bridge. Ald. Perry replied that the street foreman had been given instructions to make temporary improvement and that it was possible something might be done in the summer in the way of putting on a sixteen-foot centre.

SPORT CHAT

Among other honors going to Stanley Coveleskie of the Washington Senators during the 1925 American League season was that of winning the most consecutive games. Starting his winning streak on May 9, Covey was credited with thirteen consecutive victories. The streak ended on July 30 when the White Sox hammered him out of the box in three innings. Ted Blankenship of the White Sox ranked second in consecutive wins, ten in a row between July 4 and August 24. Sam Gray of the Athletics had an eight-game winning streak before he was hurt and forced out of the game and Charles Ruffing of the Red Sox was the champion in suffering the greatest number of defeats in a row. He lost nine games before he put across a victory.

Probably the outstanding player who will go from the West this year to the Major Leagues is Tony Lazerre, purchased at what was said to be a "fancy price" by the New York Yankees ranked high in the Coast League averages for the 1925 season because of his extra base hitting and fine work on the bases and in the field. Other Pacific Coast players going East this season are: Paul Waner, purchased by Pittsburg from San Francisco; Frank O'Doul, of Salt Lake, who will join the Chicago Cubs; Emmer from Seattle to Cincinnati; Emmett McCann, form Portland to the Boston Red Sox; Jack Warner from Vernon to Detroit, and Clyde Beck from Los Angeles to the Chicago Cubs.
