SPORT CHAT

Along the Kansas-Oklahoma border where straight shooting always has been more or less an accomplishment of the citizenry, live five brothers whose ability to shoot straight has brought them international recognition. Unlike the Dalton boys, the Etchen brothers of Coffeyville, Kansas-Fred, Frank, Charles, Will and Al-acquired their reputation by shooting at clay pigeons. Fred Etchen, a member of the United States Olympic team several years ago, won the International Flyer Championship for the season of 1926. He is both singles and doubles champion of Kansas, the first man to hold both titles at once, and formerly was national doubles champion. Frank, Will, Charles, and Al Etchen also have numerous trapshooting titles tucked away to their credit, and as a team with Fred they have brought hundreds of prizes to Coffeyville. Fred Etchen is a southpaw gunner.

Every time an automobile racer beats the previous speed record on the Cleveland-Akron speedway at North Hampton. Ohio, he establishes a world record, because the speedway is said to be the only half mile wooden bowl in the world. The speedway is so small in circumference, that on the curves it stands up at a 45-degree angle. On the straight-aways, its angle is 231/2 degrees. The half-mile record now held by Demon Litz, Altoona, Pa., racer, who made the circuit in 2 seconds.
