What Good is a Jeweller's Guarantee?

Quite a lot we think of ours; so much that we are anxious to replace anything unsatisfactory.

It may mean only a few cents to you, while to us it means our reputation for reliable goods.

Many people who have dealt with us for years still come back convinced that we know our business.

Pleased to show you.

RUSH BUILDINGS FOR HEBRIDEANS

Go up Vermilion District of Alberta at Rate of Six a Day

EDMONTON, March 6.— With April set for the completion of the farm buildings being constructed for Hebridean settlers in the Vermilion district, the Stave-Lock Silo Company, with which the contract rests, is preparing for a phenomenal building feat. There are a hundred houses, each with a barn, to be erected. By the end of this week it is expected that they will be going up at the rate of six, and perhaps eight a day.

J. H. Bluechel, manager of the company, states that this will be an unrivalled accomplishment in the field of construction. Not a nail will be used in the work, the rapid setting up of the buildings being possible because of the locking staves which render the process of their erection merely one of laying these staves together, one on top of the other. Ordinarily, it is said, one to two days is considered a short time in which to place a house together.

Four on Each House

Four men will be employed on each house, the entire crew that will eventually be on the ground numbering about 60 men. Before this final building can be inaugurated it will be necessary to have all the material at hand, and it is with this task that the men are at present occupied.

There will be about a million feet of lumber used, all of which has to be hauled by wagon distances verying from eight to fifteen miles, entailing the services of 40 teams. 600,000 shingles alone are called for, along with a full car of roofing materials. In addition an entire car load of staves leaves the Clarke factory, daily, for Vermilion.

The total cost of the houses and barns will be $700,000; each house and barn having, therefore, a combined cost of $700. All of the houses consist of four rooms apiece.

Democracy is like the grave: it never gives back what it receives.—Lord Lytton.

Hemorrhoids
Or piles are quickly relieved by Dr. Chase's Ointment.

It is a serious matter to have piles and one person in four has them at one time or another. The annoyance and distress is great. It is difficult to obtain lasting relief. So much so that your physician may tell you that a surgical operation is necessary. That is unless he is familiar with Dr. Chase's Ointment for many doctors recommend this treatment to their patients.

For nearly half a century Dr. Chase's Ointment has been the never failing relief for itching, bleeding and protruding piles. It is now very generally known by the medical profession, and the public generally, as the standard treatment for this torturing ailment.

Ask your friends about Dr. Chase's Ointment for "users are boosters" in this case. Relief comes quickly and you can obtain the ointment at any drug store.

BALAGNO ELIMINATED BY McMORDIE IN FIRST OF BILLIARD SERIES

Col. S. P. McMordie defeated Charles Balagno by a score of 500 to 351 in the first elimination game of the city championship billiard series yesterday afternoon. McMordie's high break was 42 and Balagno's, 28. The game took two hours to play and the referee and marker was George McIymoyle.

The second game of the series will take place this evening between Fred Pyle and W. Long.

RUGBY FOOTBALL HAT IS WORN BY LADIES

LONDON, March 9.— Women are adopting the "rugby" hat, modelled much on the lines of those worn by footballers. They are made of different colored velvets moulded on "rugger" lines, with the downward flap on each side covering the ears. Some are decorated with lighter colored material while others have a bow of ribbon hanging from the right side over the ear-flap.

SURPRISE VISIT TO SKIPPER AND WIFE

Captain and Mrs. Paul Armour Presented With Token of Appreciation

A group of about twenty-five friends last night paid a surprise visit to Capt. and Mrs. Paul Armour at their residence in the Washington Block, the popular skipper of the Pachena and his wife being taken completely unawares. Progressive whist was played and, at midnight, refreshments were served when presentations were made to both host and hostess, Capt. Armour receiving a handsome smoker's set and Mrs. Armour, a Pyrex pie dish. Games and dancing were enjoyed until about 2.30 this morning. Prize winners at whist were: Ladies' first, Miss May Thompson; ladies' consolation, Mrs. K. A. Rood. Men's first, Capt. Marsh; men's consolation, Tommy Camm.

SPORT CHAT

The Elks and Moose will meet in the men's section of the Fraternal Whist League tonight to settle who are to be the runners up on the St. Andrew's team for the leadership in the league standing. The result of this game will probably have an important effect on the chances of the two sets of antlered players so both will be out to win. The St. Andrew's team is in a pretty good position now and there is no chance of its being displaced this week if it is to be displaced at all. Other games scheduled for tonight are Knights of Columbus vs. Sons of Canada and Knights of Pythias vs. Sons of England. The game between the Loyal Orange Lodge and St. Andrew's is postponed.

The following ten players went south to Vancouver last week to represent Prince George in the provincial intermediate amateur hockey championship semi-final on Friday night when Prince George lost to Vancouver Seaforths by 7 to 3: Terry Johnson, Jack Johnson, Bud Gross, Howard Gross, Walter Nehring, Robert Nehring, C. C. Ternan, R. Kerr, G. S. Wood and Jim Douglas. J. C. Pidgeon went along as manager of the team with Harry Thacker in the role of trainer and J. M. McLean representing the Prince George Amateur Athletic Association. John Nelson and Nat Porter also made the trip to Vancouver to follow the fortunes of the Prince George team in the attempt to win the championship.

SALARIES OF HOCKEY PLAYERS IN STATES

NEW YORK, March 8. — Increased popularity of professional hockey, due in some measure to the inclusion of New York and Pittsburg in the National Hockey League, has been accompanied by a corresponding rise in the salaries of the players.

Promoters estimate that the average profession "puck-chaser" this season has been drawing $3,000 to $4,000 for the thirty-six games of the league schedule, which is higher pay for actual time spent in competition than the average major league ball player receives.
