the breakfast that "stands by" you through the morning

> "Hot Oats and Milk" is the breakfast recommended by health authorities today.

> An ill-chosen meal at the beginning of the day is a mistake. Breakfast is all important. To be right and to feel right you must start the morning with well-balanced, complete food.

> Oats is the best balanced of all cereals. It is rich in protein, the great tissue builder, in carbohydrates, the energy producer, and in the essential mineral salts. Few foods have its remarkable balance. That is why Quaker Oats and milk are so widely urged to-day. It is a breakfast that "stands by" you through the morning.

> You will know the genuine Quaker Oats by the Quaker figure on every package. Nootheroatshave the delicious flavour. brought out by Quaker milling.
