leader spoke of the Progressives as outcasts of Parliament and promised if not returned stronger than before he would resign. For a man in private life to break his word was bad enough but what were they to say of a man who did it in public? Such a man had to be watched carefully. He asked if he thought after the record of the last ten months the Government should go back. The voice of the people, he believed, was for clean government. King broke his promise, placed himself in the hands of the Progressive he the chaotic condition of the Mr. group system to continue? The

Fish Traps

Mr. Brady then-took up the! matter of fish traps and denied that he had held back anything at Ocean Falls or other meetings. He said he wanted the Daily News to make a special note of this. Stork was no longer a friend of that year the company was told that licenses would be granted at Wales Island and Dogfish Bay. Another asked for at Pierce Island was also granted.

In May, 1925, locations for the traps were made and construction commenced. On June 11 the license fee of \$50 each was paid for eight traps but on June 13,

Mr. Brady then read the two telegrams which were recently The year he would not oppose their being granted for that year only fied that from that time on there would be no traps.

Mr. Brady claimed that Fred Stork, when asking for the votes of the people had denied knowledge of the granting of the lithe ministers. In fact he had and Stork was playing a double ame change of government he had time they called a halt and partx politics was buried.

Mr. Brady then excused the act ernment with a working majority of the Meighen Government in and, if the people of Prince Ru- granting the licenses by stating that he did not know the condiend, they will support Brady and tions.
